WHEREAS in and by an Act of the Parliament of Canada passed in the session thereof held in the third year of Our Reign, chaptered sixty-one, and intituled "An Act respecting the Revised Statutes of Canada", it is recited that it has been found expedient to revise, classify and consolidate the public general statutes of Canada ; and that such revision, classification and consolidation are being made by Commissioners appointed by a certain Commission under the Great Seal of Canada bearing date the 21st day of November, 1902 ; and that it is expedient to provide for the incorporation therewith of the public general statutes passed during the said session and subsequent thereto, and for giving the force of law to the body of the Revised Statutes to result from such incorporation.

AND WHEREAS it is thereupon by the said Act, as it is amended by an Act of the said Parliament passed in the next following session thereof, chaptered thirty-six, and intituled "An Act to amend chapter 61 of the Statutes of 1903, respecting the Revised Statutes of Canada", amongst other things in effect enacted as follows :—

That so soon as the said Commissioners or a majority of them shall report in writing the completion of the said consolidation, including therein such Acts or parts of Acts passed during the said session held in the third year of Our reign and subsequent thereto as the Governor General may deem advisable to be so included, the Governor General may cause a printed Roll thereof, attested under his signature and that of the Clerk of the Parliaments to be deposited in the office of such Clerk ; and that such Roll shall be held to be the original of the said statutes so revised, classified and consolidated ; but that the marginal notes thereon, the reference to former enactments at the foot of the sections, and the explanatory notes and tables inserted by the Commissioners, shall form no part of the said statutes, and shall be held to have been inserted for convenience only, and may be corrected or omitted ;

And that there shall be appended to the said Roll a Schedule A similar in form to Schedule A appended to the Revised Statutes of Canada of 1886 ; and that the Commissioners may include in the said Schedule all Acts and parts of Acts which, though not expressly repealed, are superseded by the Acts so consolidated, or are inconsistent therewith, and all Acts and parts of Acts which were for a temporary purpose, the force of which is spent ;

And that the said Commissioners in consolidating the said statutes and in incorporating therewith the Acts or parts of Acts passed subsequent thereto and selected for inclusion therein as above provided may make such alterations in their language as are requisite in order to preserve a uniform mode of expression, and may make such minor amendments as are necessary to bring out more clearly what they deem to be the intention of Parliament or to reconcile seemingly inconsistent enactments, or to correct clerical or typographical errors ;

And that the Governor in Council, after such deposit of the said Roll may, by proclamation, declare the day on, from and after which the same shall come into force and have effect as law, by the designation of "The Revised Statutes of Canada, 190 ." ;

And that on, from and after such day, the same shall accordingly come into force and effect as, and by designation of, "The Revised Statutes of Canada, 19 ," to all intents as if the same were expressly embodied in and enacted by the said Act to come into force and have effect on, from and after such day :

And that on, from and after such day, all the enactments in the several Acts and parts of Acts in such Schedule A mentioned shall stand and be repealed to the extent mentioned in the third column of the said Schedule A, and subject to the provisions of sections six and seven of the said Act.

AND WHEREAS Our said Commissioners, so appointed as aforesaid, have completed the said consolidation and have included therein certain Acts and parts of Acts passed during the sessions of the said Parliament held respectively in the third, the fourth, the fourth and fifth, and the sixth sessions of Our reign, and have reported in writing the completion of the said consolidation.

AND WHEREAS Our Governor General in Council has approved of and deems advisable the inclusion of the Acts and parts of Acts so included as aforesaid.

AND WHEREAS Our Governor General has caused a printed Roll of the said consolidation, attested under His signature and that of the Clerk of the Parliaments, to be deposited in the office of the said Clerk of the Parliaments.

AND WHEREAS there is appended to the said Roll a Schedule A conforming to the prescription of the said Act, so amended as aforesaid.

AND WHEREAS Our said Commissioners have otherwise complied with the provisions of the said Act as so amended.

NOW KNOW YE that, by and with the advice of Our Privy Council for Canada, We do, by these presents, proclaim and declare that on, from and after the thirty-first day of January, 1907, the said Roll so attested and deposited as aforesaid shall come into force and have effect as law by the designation of "The Revised Statutes of Canada, 1906."

Of all which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and to govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent and the Great Seal of Canada to be hereunto affixed. WITNESS, Our Right Trusty and Right Well-Beloved Cousin the Right Honourable SIR ALBERT HENRY GEORGE, EARL GREY, Viscount Howick, Baron Grey of Howick, in the County of Northumberland in the Peerage of the United Kingdom, and a Baronet ; Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George, etc., etc., Governor General and Commander in Chief of Our Dominion of Canada.

[Ref. 527,344.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 26th day of December, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 21st November, 1906, from the Minister of the Interior, submitting that by an Order in Council dated 25th June, 1906, whereby an agreement in the form and containing the terms, restrictions and conditions set forth in the agreement mentioned in such Order in Council for the purposes herein specified, was authorized to be entered into between the Minister of the Interior, as the representative of His Majesty King Edward the Seventh, and Guy Tracey Robins of the City of London, England, on behalf of and as the representative of "The Robins Irrigation Company ' ;

The Minister states that the agreement so authorized was completed between the said parties thereto upon the 26th day of June, 1906, and that since that date an incorporated company known as "The Southern Alberta Land Company, Limited," has been formed for the purpose of performing and completing the system of irrigation works mentioned in the said Order in Council of the 25th June, 1906, under the agreement hereinbefore referred to, and that the representatives of both companies have applied to him to sanction a transfer by "The Robins Irrigation Company" to "The Southern Alberta Land Company, Limited", of the said agreement of the 26th June, 1906, and of all rights and benefits thereunder.

The Minister therefore recommends that he be authorized to consent to such transfer after it has been duly completed and submitted to him for that purpose.

The Committee submit the same for approval.

[Ref. 1,324,326.]

AT THE GOVERNMENT HOUSE AT OTTAWA

Saturday, the 15th day of December, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 27th November, 1906, from the Minister of the Interior, submitting that at the session of 1906, the Legislative Assembly of the Province of Manitoba passed an Act, 5-6 Edward VII, chapter 94, the object of which was to confirm and ratify a plan of a portion of Section 36, Township 11, Range 11, East of the Principal Meridian, forming the Village of Whitemouth, prepared by E. J. Boswell, D.L.S. and P.L.S., and to substitute such plan for a defective plan of the same land which had been prepared by J. S. Dufresne, D.L.S., and to make certain provisions incidental to the cancellation of the one plan and the substitution of the other.

The Minister states that in this matter the Dominion and Provincial authorities have co-operated throughout. The survey and plan of Mr. Boswell purported to be made under the authority of the Special Survey Act of the Province, and Mr. Boswell acted therein under instructions from the Surveyor General of Canada.

The Minister further states that doubts having arisen as to whether the Special Survey Act covered the case, it was thought best to have what had been done ratified by the Provincial Legislature.

The Minister recommends that the Governor General in Council request that the Act be brought into force in the manner prescribed by its provisions.

The Committee submit the same for approval.

JOHN J. McGEE,
28–4 Clerk of the Privy Council.

Sec. 72.—Any unauthorized interference with animals after inspection whether by substitution or otherwise, or any other evasion, or misrepresentation, will be deemed a breach of these Regulations.

Sec. 73.—Inspectors may, if they deem it advisable for purpose of identification, mark animals inspected by them. A certificate of inspection, stating the name of the owner, the number, sex and class of animals in the consignment and certifying to their freedom from contagious disease, will be furnished by the Inspector, and must be produced to the collector of customs before embarkation.

Sec. 76.—The Minister may from time to time order that the provisions of these Regulations requiring the inspection and certification as aforesaid, may be waived in the case of animals exported to any country when in his opinion such action is necessary and desirable.

Sec. 77.—The Collector of Customs of any port in Canada whence animals are exported shall not give a clearance to any ship having animals on board for exportation, other than those exempted by Ministerial Order under the provisions of the preceding section, without having produced to him a certificate, signed by the Inspector, to the effect that the animals therein referred to are free from contagious and infectious disease and in every way fit for shipment.

THE SENATE.

Substance of Rules of the Senate relating to Notices and Applications for Bills of Divorce.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*1*) The petitioner's residence at the time of service

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

PROCLAMATION.

A. B. AYLESWORTH, Procureur général, Canada.

ATTENDU que dans et par un acte du parlement du Canada, passé en la session du dit parlement tenue en la troisième année de Notre règne, chapitre soixante-un, et intitulé " Acte concernant les Statuts revisés du Canada " après l'exposé qu'il a été jugé à propos de reviser, classifier et refondre les statuts publics d'intérêt général du Canada, et considérant que cette revision, classification et refonte sont à se faire par une Commission dont les membres ont été nommes par lettres-patentes sous le grand sceau du Canada, en date du 21 novembre 1902, et qu'il est à propos de pourvoir à ce qu'y soient incorporés les statuts publics d'intérêt général rendus au cours de la présente session et à être rendus ultérieurement, et à ce que force de loi soit donnée au corps de Statuts revisés devant résulter de cette incorporation :

Et attendu que, par le dit acte, tel que modifié par un acte du dit parlement, passé en la session suivante du dit parlement, chapitre trente-six, et intitulé " Acte modifiant le chapitre 61 des statuts de 1903, concernant les Statuts revisés du Canada ", il est entre autres choses en substance statué, qu'aussitôt que les membres de la dite commission, ou la majorité d'entre eux, auront fait un rapport par écrit énonçant qu'ils ont terminé la dite refonte, y compris les actes ou parties d'actes rendus au cours de la dite session tenue en la troisième année de Notre règne, ou d'autres sessions subséquentes que le Gouverneur général peut juger à propos d'y faire ainsi inclure, le Gouverneur général peut faire déposer au

bureau du greffier des parlements un rôle imprimé de ces statuts, attesté de son seing et de celui du greffier des parlements, et ce rôle sera réputé être l'original des statuts ainsi revisés, classifiés et refondus, mais que les notes marginales y figurant, les renvois à des dispositions antérieures placés au bas des articles, et les notes explicatives et les tableaux insérés par la Commission ne feront pas partie des dits statuts, et seront réputés n'y avoir été insérés que pour plus de commodité, et ils pourront être corrigés ou omis ;

Et qu'il sera attaché au dit rôle une annexe A semblable de forme à l'Annexe A des Statuts revisés du Canada de 1886 ; et la Commission pourra comprendre dans la dite annexe tous les actes et parties d'actes qui, tout en n'étant pas abrogés en termes exprès, auront été remplacés par les actes ainsi refondus ou seront incompatibles avec eux et tous les actes et parties d'actes dont l'effet ne devait être que temporaire et se trouve éteint ;

Et que la dite commission, dans le travail de la refonte des dits statuts et de l'incorporation aux dits statuts des actes ou parties d'actes rendus subséquemment aux dits statuts et choisis pour y être compris, ainsi qu'il est ci-dessus édicté, peut y faire, sous le rapport du langage, les changements qu'il convient dans l'intérêt de l'uniformité, et y opérer telles légères modifications dont besoin est pour rendre plus clair ce qu'elle juge avoir été l'intention du parlement, et pour faire concorder des dispositions apparemment incompatibles ou y corriger des erreurs d'écriture ou de typographie ;

Et que le Gouverneur en conseil pourra après le dépôt du dit rôle, déterminer par proclamation le jour auquel et à partir duquel ce rôle entrera en vigueur et aura force de loi sous la désignation de *Statuts revisés du Canada de 190* ;

Et que le dit jour et à partir du dit jour ce rôle aura conséquemment force de loi sous la désignation de *Statuts revisés du Canada de 19* , tout comme s'il était formellement incorporé et édicté dans le présent acte pour entrer en vigueur et devenir exécutoire à compter de cette date.

Et que, à compter de la dite date, toutes les dispositions contenues dans les différents actes et parties d'actes mentionnés dans la dite annexe A, seront abrogées dans la mesure indiquée dans la troisième colonne de la dite annexe A, et subordonnément aux dispositions des articles six et sept du dit acte ;

ET ATTENDU que Notre dite commission, ainsi constituée comme susdit, a complété la dite refonte et y a inclus certains actes et parties d'actes passés en les sessions du dit parlement tenues respectivement en la troisième, la quatrième, les quatrième et cinquième, et la sixième années de Notre règne, et a fait rapport par écrit de l'achèvement de la dite refonte ;

ET ATTENDU que Notre Gouverneur général en conseil a approuvé et trouve judicieux l'incorporation des actes et parties d'actes ainsi inclus comme susdit ;

ET ATTENDU que Notre Gouverneur général a fait déposer un rôle imprimé de la dite refonte, attesté sous son seing et celui du greffier des parlements, au bureau du dit greffier des parlements ;

ET ATTENDU qu'au dit rôle est jointe une annexe A conforme aux prescriptions du dit acte ainsi modifié comme susdit ;

ET ATTENDU que Notre dite commission s'est conformée sous d'autres rapports aux dispositions du dit acte aussi modifié,—

SACHEZ DONC que par et avec l'avis de Notre Conseil privé pour le Canada, Nous proclamons et déclarons par les présentes que dès et à compter du trente-unième jour de janvier 1907, le dit rôle ainsi attesté et déposé comme susdit entrera en vigueur et deviendra exécutoire comme loi sous la désignation de "Statuts revisés du Canada, 1906."

(2) Les conditions sous lesquelles des objets en bois lourds peuvent être portés comme chargement de pont, sont—

(*b*) s'il prouve que le navire a fait voile du port auquel les articles en bois ont été pris comme chargement de pont à une époque telle, avant le dernier jour d'octobre, qu'il devait s'écouler un temps suffisant, d'après la durée ordinaire du voyage, pour que le navire pût arriver avant cette date au dit port du Royaume-Uni, mais qu'il a été empêché d'y arriver par le mauvais temps ou des circonstances hors de son contrôle ; ou

(*c*) s'il prouve que le navire a fait voile du port auquel les articles en bois ont été pris comme chargement de pont à une époque telle, avant

(*b*) l'expression "objets en bois légers" signifie les planches, voliges ou autres objets en bois légers de toute espèce ; et

(*c*) l'expression "chargement de pont" signifie tout chargement porté dans tout espace non couvert sur le pont, ou dans tout espace couvert non compris dans le contenu cube formant le tonnage enregistré du navire, et

(*d*) l'espace dans lequel sont transportés les objets en bois sera censé être l'espace limité par l'étendue en superficie occupé par les objets, et par des lignes droites renfermant un espace rectangulaire suffisant pour contenir les objets.

(6) Rien de contenu dans le présent article ne s'appliquera à aucun navire n'étant pas à destination d'aucun port du Royaume-Uni qui entrera dans un port du Royaume-Uni à cause du mauvais temps, pour y subir des réparations, ou pour toute autre raison que pour y débarquer son chargement.

Les frais du traitement, s'il y en a, seront à la charge du propriétaire ou importateur des animaux traités.

RÈGLEMENTS QUARANTENAIRES.

Art. 53.—Les stations de quarantaine seront sous les soins et assujéties aux ordres de fonctionnaires nommés à cette fin, et désignés Surintendants, lesquels auront la surveillance générale et le contrôle des serviteurs ou autres personnes, et de tout ce qui se rattache à la quarantaine.

Art. 54.—Le Surintendant de la dite station règlera le traitement et les soins que devront recevoir les bestiaux soumis à la quarantaine, et il aura légalement sous sa direction et sa surveillance les divers articles qui serviront aux soins et à la nourriture de ces bestiaux.

Art. 55.—Le bétail âgé de six mois ou plus importé de pays autres que les Etats-Unis et le Mexique, ne sera libéré de la quarantaine qu'après avoir subi l'épreuve de la tuberculine par le Surintendant de la quarantaine ou autre fonctionnaire dûment autorisé.

Art. 56.—Le bétail qui réagit à l'épreuve de la tuberculine mais ne montre pas de symptômes cliniques sera permanemment marqué dans l'oreille droite de la lettre "T" par le fonctionnaire qui fait l'épreuve, et pourra être relâché à l'expiration de la période prescrite de quarantaine s'il est trouvé exempt de toutes maladies infectieuses ou contagieuses.

Art. 57.—Le bétail qui montre des symptômes cliniques de tuberculose sera détruit ou il en sera disposé autrement selon l'ordre du Ministre.

Art. 58.—Le Ministre ou le directeur général vétérinaire peut autoriser la destruction de tous les animaux soumis à la quarantaine, ou de tous ou partie des articles qui auront été employés aux soins des dits animaux, et cette destruction aura lieu sous la surveillance du Surintendant et de la manière qu'il prescrira.

Art. 59.—Les frais encourus pour la nourriture et les soins à donner aux animaux en quarantaine, sauf ceux encourus pour l'usage des terrains et des abris, seront à la charge du propriétaire ou de l'importateur, et ces frais seront payés avant que les animaux ne puissent quitter la quarantaine ; et à défaut de les payer sous quatorze jours après l'expiration de la période de quarantaine, le Surintendant peut, en donnant quatorze jours d'avis par écrit, délivré ou envoyé par la poste au propriétaire ou importateur, faire vendre les dits animaux pour défrayer les dits frais, ainsi que les dépens incidents à la vente des dits animaux, et la balance, s'il y en a, sera remise au propriétaire.

Art. 60.—On ne permettra jamais qu'un animal en quarantaine vienne en contact avec un animal canadien avant qu'il n'ait été dûment libéré de la quarantaine.

Art. 61.—Un animal en quarantaine ne sera pas sorti de la station de quarantaine avant d'en avoir été dûment libéré par le Surintendant ou autre fonctionnaire dûment autorisé.

Art. 62. — Toute personne qui sort, ou tente de sortir un animal de la station de quarantaine, sans l'autorisation du Surintendant ou autre fonctionnaire dûment autorisé, encourra une amende de $200 pour chaque infraction.

Art. 64.—Les animaux canadiens en transit à un port des Etats-Unis pour être exportés par mer à l'Europe ou ailleurs doivent être inspectés aux endroits en Canada que le Ministre désignera de temps à autre ; ils ne doivent pas être expédiés de l'endroit d'inspection avant qu'un inspecteur vétérinaire dûment autorisé ne les ait déclarés exempts de maladie infectieuse et contagieuse et autrement propres à l'exportation, et les percepteurs des douanes ne doivent pas les laisser sortir du Canada sans être accompagnés du dit certificat.

Art. 65.—Les animaux destinés à l'exportation doivent, si possible, atteindre le port d'exportation au moins douze heures avant l'embarquement, pour repos et inspection. Les animaux en retard seront exposés à être détenus, à la discrétion de l'inspecteur.

Art. 66.—Les inspecteurs peuvent en tous temps détenir les animaux aussi longtemps qu'ils le jugeront nécessaire pour leur permettre de faire une inspection parfaite et satisfaisante, et de s'assurer que toutes les dispositions des présents règlements y relatives ont été dûment observées.

Art. 67.—Les propriétaires et personnes en charge d'animaux destinés à l'exportation donneront vingt-quatre heures d'avis à l'inspecteur, à son bureau, énonçant le nom et l'espèce des animaux et la date probable de leur arrivée au port d'exportation.

Art. 68.—On ne permettra pas que des animaux soient mis à bord d'un vapeur ou autre vaisseau pour exportation d'un port canadien, avant qu'ils n'aient été inspectés par un inspecteur vétérinaire dûment autorisé au dit port, et déclarés par lui exempts de maladie contagieuse, et propres à l'exportation sous tous rapports ; cette inspection sera faite sous vingt-quatre heures avant l'embarquement.

Art. 69.—Dans l'exécution de leurs devoirs, les inspecteurs auront libre accès à tout navire, wagon ou autre véhicule, et à tout enclos, étable ou endroit où se trouvent des animaux.

Art. 70.—Toutes les inspections pour l'exportation doivent être faites de plein jour.

Art. 71.—Dans le cours de l'inspection à un port d'exportation, les propriétaires ou consignateurs de

Si le propriétaire ou consignateur refuse ou néglige de fournir l'aide nécessaire, l'inspecteur pourra employer des hommes aux frais du propriétaire ou du consignateur, et les frais seront payés à l'inspecteur avant qu'une patente de santé soit donnée.

Art. 72.—Toute ingérence indue relative aux animaux, que ce soit par substitution ou autrement ou toute autre évasion, ou fausse représentation sera réputée être une infraction aux présents règlements.

Art. 73.—Les inspecteurs pourront, s'ils le jugent à propos pour des fins d'identification, marquer les animaux inspectés par eux. Un certificat d'inspection, donnant le nom du propriétaire, le nombre, le sexe et la classe des animaux dans la consignation, et attestant leur exemption de maladie contagieuse, sera fourni par l'inspecteur, et doit être déclaré au percepteur des douanes avant l'embarquement.

Art. 74.—Les animaux qui auront été exposés à une maladie contagieuse ou infectieuse, ou qui seront atteints, ou soupçonnés d'être atteints d'une maladie contagieuse ou infectieuse, seront détenus, et il en sera disposé selon les ordres de l'officier inspecteur conformément aux instructions du directeur vétérinaire général.

Art. 75.—Les inspecteurs peuvent rejeter les animaux pour toute cause raisonnable.

Art. 76.—Le Ministre peut, de temps à autre, ordonner que les dispositions des présents règlements exigeant l'inspection et attestation comme susdit, soient suspendus dans le cas d'animaux exportés à un pays quelconque s'il croit qu'il est nécessaire et désirable d'en agir ainsi.

Art. 77.—Le percepteur des douanes à tout port en Canada d'où des animaux sont exportés ne donnera pas de congé à un navire qui a des animaux à bord pour exportation, autres que ceux exemptés par ordre administratif en vertu des dispositions de l'article précédent, sans qu'il lui soit fourni un certificat, signé par l'inspecteur, à l'effet que les animaux qui y sont mentionnés sont exempts de maladie contagieuse et infectieuse et sont sous tous rapports propres à l'embarquement.

VAISSEAUX INFECTÉS.

Art. 78.—Les vaisseaux qui ont servi à transporter du bétail, des moutons ou autres ruminants, chez lesquels l'eczéma épizootique se trouve, seront empêchés, durant une période de soixante jours après ce transport, d'embarquer du bétail, des moutons ou autres ruminants, ou des porcs, dans un port canadien ; et de plus, tant que ces vaisseaux n'auront pas été parfaitement nettoyés et désinfectés sous la surveillance d'un inspecteur ou autre officier dûment autorisé.

OFFICIERS DES DOUANES.

Art. 79.—Les percepteurs des douanes aux différents ports du Canada devront veiller à ce que les dispositions et prescriptions du présent arrêté soient exécutées, avant d'accorder aucun permis pour l'obtention duquel quelque formalité, inspection ou autre procédé est nécessaire ; ils devront veiller à ce que les prohibitions prescrites et les règlements établis par le présent arrêté tels que ci-dessus mentionnés, soient respectés, et à ce que les instructions que pourra donner le Ministre soient suivies ; et dans le cas de quelque infraction aux dispositions du présent arrêté, ils devront immédiatement faire rapport au Ministre de l'étendue et de la nature de ces infractions.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

SÉNAT.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée " partie défenderesse ".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt*, ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

To all to whom these presents shall come, or whom the same may in anywise concern,—GREETING :

A PROCLAMATION.

A. B. AYLESWORTH, Attorney General, Canada.

WHEREAS in and by an Act of the Parliament of Canada passed in the session thereof held in the third year of Our Reign, chaptered sixty-one, and intituled "An Act respecting the Revised Statutes of Canada", it is recited that it has been found expedient to revise, classify and consolidate the public general statutes of Canada ; and that such revision, classification and consolidation are being made by Commissioners appointed by a certain Commission under the Great Seal of Canada bearing date the 21st day of November, 1902 ; and that it is expedient to provide for the incorporation therewith of the public general statutes passed during the said session and subsequent thereto, and for giving the force of law to the body of the Revised Statutes to result from such incorporation.

AND WHEREAS it is thereupon by the said Act, as it is amended by an Act of the said Parliament passed in the next following session thereof, chaptered thirty-six, and intituled "An Act to amend chapter 61 of the Statutes of 1903, respecting the Revised Statutes of Canada", amongst other things in effect enacted as follows :—

That so soon as the said Commissioners or a majority of them shall report in writing the completion of the said consolidation, including therein such Acts or parts of Acts passed during the said session held in the third year of Our reign and subsequent thereto as the Governor General may deem advisable to be so included, the Governor General may cause a printed Roll thereof, attested under his signature and that of the Clerk of the Parliaments to be deposited in the office of such Clerk ; and that such Roll shall be held to be the original of the said statutes so revised, classified and consolidated ; but that the marginal notes thereon, the reference to former enactments at the foot of the sections, and the explanatory notes and tables inserted by the Commissioners, shall form no part of the said statutes, and shall be held to have been inserted for convenience only, and may be corrected or omitted ;

And that there shall be appended to the said Roll a Schedule A similar in form to Schedule A appended to the Revised Statutes of Canada of 1886 ; and that the Commissioners may include in the said Schedule all Acts and parts of Acts which, though not expressly repealed, are superseded by the Acts so consolidated, or are inconsistent therewith, and all Acts and parts of Acts which were for a temporary purpose, the force of which is spent ;

And that the said Commissioners in consolidating the said statutes and in incorporating therewith the Acts or parts of Acts passed subsequent thereto and selected for inclusion therein as above provided may make such alterations in their language as are requisite in order to preserve a uniform mode of expression, and may make such minor amendments as are necessary to bring out more clearly what they deem to be the intention of Parliament or to reconcile seemingly inconsistent enactments, or to correct clerical or typographical errors ;

And that the Governor in Council, after such deposit of the said Roll may, by proclamation, declare the day on, from and after which the same shall come into force and have effect as law, by the designation of "The Revised Statutes of Canada, 190 ." ;

And that on, from and after such day, the same shall accordingly come into force and effect as, and by designation of, "The Revised Statutes of Canada, 19 ," to all intents as if the same were expressly embodied in and enacted by the said Act to come into force and have effect on, from and after such day :

And that on, from and after such day, all the enactments in the several Acts and parts of Acts in such Schedule A mentioned shall stand and be repealed to the extent mentioned in the third column of the said Schedule A, and subject to the provisions of sections six and seven of the said Act.

AND WHEREAS Our said Commissioners, so appointed as aforesaid, have completed the said consolidation and have included therein certain Acts and parts of Acts passed during the sessions of the said Parliament held respectively in the third, the fourth, the fourth and fifth, and the sixth sessions of Our reign, and have reported in writing the completion of the said consolidation.

AND WHEREAS Our Governor General in Council has approved of and deems advisable the inclusion of the Acts and parts of Acts so included as aforesaid.

AND WHEREAS Our Governor General has caused a printed Roll of the said consolidation, attested under His signature and that of the Clerk of the Parliaments, to be deposited in the office of the said Clerk of the Parliaments.

AND WHEREAS there is appended to the said Roll a Schedule A conforming to the prescription of the said Act, so amended as aforesaid.

AND WHEREAS Our said Commissioners have otherwise complied with the provisions of the said Act as so amended.

NOW KNOW YE that, by and with the advice of Our Privy Council for Canada, We do, by these presents, proclaim and declare that on, from and after the thirty-first day of January, 1907, the said Roll so attested and deposited as aforesaid shall come into force and have effect as law by the designation of "The Revised Statutes of Canada, 1906."

Of all which Our loving subjects and all others whom these presents may concern, are hereby required to take notice and to govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent and the Great Seal of Canada to be hereunto affixed. (c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

PROCLAMATION.

A. B. AYLESWORTH, Procureur général, Canada.

ATTENDU que dans et par un acte du parlement du Canada, passé en la session du dit parlement tenue en la troisième année de Notre règne, chapitre soixante-un, et intitulé " Acte concernant les Statuts revisés du Canada " après l'exposé qu'il a été jugé à propos de reviser, classifier et refondre les statuts publics d'intérêt général du Canada, et considérant que cette revision, classification et refonte sont à se faire par une Commission dont les membres ont été nommés par lettres-patentes sous le grand sceau du Canada, en date du 21 novembre 1902, et qu'il est à propos de pourvoir à ce qu'y soient incorporés les statuts publics d'intérêt général rendus au cours de la présente session et à être rendus ultérieurement, et à ce que force de loi soit donnée au corps de Statuts revisés devant résulter de cette incorporation :

ET ATTENDU que, par le dit acte, tel que modifié par un acte du dit parlement, passé en la session suivante du dit parlement, chapitre trente-six, et intitulé " Acte modifiant le chapitre 61 des statuts de 1903, concernant les Statuts revisés du Canada ", il est entre autres choses en substance statué, qu'aussitôt que les membres de la dite commission, ou la majorité d'entre eux, auront fait un rapport par écrit énonçant qu'ils ont terminé la dite refonte, y compris les actes ou parties d'actes rendus au cours de la dite session tenue en la troisième année de Notre règne, ou d'autres sessions subséquentes que le Gouverneur général peut juger à propos d'y faire ainsi inclure, le Gouverneur général peut faire déposer au bureau du greffier des parlements un rôle imprimé de ces statuts, attesté de son seing et de celui du greffier des parlements, et ce rôle sera réputé être l'original des statuts ainsi revisés, classifiés et refondus, mais que les notes marginales y figurant, les renvois à des dispositions antérieures placés au bas des articles, et les notes explicatives et les tableaux insérés par la Commission ne feront pas partie des dits statuts, et seront réputés n'y avoir été insérés que pour plus de commodité, et ils pourront être corrigés ou omis ;

Et qu'il sera attaché au dit rôle une annexe A semblable de forme à l'Annexe A des Statuts revisés du Canada de 1886 ; et la Commission pourra comprendre dans la dite annexe tous les actes et parties d'actes qui, tout en n'étant pas abrogés en termes exprès, auront été remplacés par les actes ainsi refondus ou seront incompatibles avec eux et tous les actes et parties d'actes dont l'effet ne devait être que temporaire et se trouve éteint ;

Et que la dite commission, dans le travail de la refonte des dits statuts et de l'incorporation aux dits statuts des actes ou parties d'actes rendus subséquemment aux dits statuts et choisis pour y être compris, ainsi qu'il est ci-dessus édicté, peut y faire, sous le rapport du langage, les changements qu'il convient dans l'intérêt de l'uniformité, et y opérer telles légères modifications dont besoin est pour rendre plus clair ce qu'elle juge avoir été l'intention du parlement, et pour faire concorder des dispositions apparemment incompatibles ou y corriger des erreurs d'écriture ou de typographie ;

Et que le Gouverneur en conseil pourra après le dépôt du dit rôle, déterminer par proclamation le jour auquel et à partir duquel ce rôle entrera en vigueur et aura force de loi sous la désignation de *Statuts revisés du Canada de 190 ;*

Et que le dit jour et à partir du dit jour ce rôle aura conséquemment force de loi sous la désignation de *Statuts revisés du Canada de 19* , tout comme s'il était formellement incorporé et édicté dans le présent acte pour entrer en vigueur et devenir exécutoire à compter de cette date.

Et que, à compter de la dite date, toutes les dispositions contenues dans les différents actes et parties d'actes mentionnés dans la dite annexe A, seront abrogées dans la mesure indiquée dans la troisième colonne de la dite annexe A, et subordonnément aux dispositions des articles six et sept du dit acte ;

ET ATTENDU que Notre dite commission, ainsi constituée comme susdit, a complété la dite refonte et y a inclus certains actes et parties d'actes passés en les sessions du dit parlement tenues respectivement en la troisième, la quatrième, les quatrième et cinquième, et la sixième années de Notre règne, et a fait rapport par écrit de l'achèvement de la dite refonte ;

ET ATTENDU que Notre Gouverneur général en conseil a approuvé et trouve judicieux l'incorporation des actes et parties d'actes ainsi inclus comme susdit ;

ET ATTENDU que Notre Gouverneur général a fait déposer un rôle imprimé de la dite refonte, attesté sous son seing et celui du greffier des parlements, au bureau du dit greffier des parlements ;

ET ATTENDU qu'au dit rôle est jointe une annexe A conforme aux prescriptions du dit acte ainsi modifié comme susdit ;

ET ATTENDU que Notre dite commission s'est conformée sous d'autres rapports aux dispositions du dit acte aussi modifié,—

SACHEZ DONC que par et avec l'avis de Notre Conseil privé pour le Canada, Nous proclamons et déclarons par les présentes que dès et à compter du trente-unième jour de janvier 1907, le dit rôle ainsi attesté et déposé comme susdit entrera en vigueur et deviendra exécutoire comme loi sous la désignation de " Statuts revisés du Canada, 1906."

De ce qui précède Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes, et à icelles fait apposer le Grand Sceau du Canada. Chargement du bois.

10.—(1) Si un navire, britannique ou étranger, arrive entre le dernier jour d'octobre et le seizième jour d'avril, en aucune année, dans un port du Royaume-Uni en venant d'un port hors du Royaume-Uni, portant comme chargement de pont des objets en bois lourds ou légers, (sauf dans les conditions permises par le présent article), le capitaine de ce navire, et aussi le propriétaire, s'il est complice de la contravention, encourront une amende n'excédant pas cinq livres pour chaque cent cinquante pieds cubes d'articles de bois portés en contravention du présent article.

(2) Les conditions sous lesquelles des objets en bois lourds peuvent être portés comme chargement de pont, sont—

(*a*) que ces objets ne doivent être portés que dans des espaces couverts ; et

(*b*) qu'ils ne doivent être portés que dans la catégorie de navires approuvés à cette fin par le Board of Trade ; et

(*c*) qu'ils doivent être chargés en conformité des règlements faits par le Board of Trade concernant leur chargement.

(3) Les conditions sous lesquelles des objets en bois légers peuvent être portés comme chargement, sont—

(*a*) que chaque unité des objets doit être d'une capacité cube n'excédant pas quinze pieds cubes ; et

(*b*) que la hauteur au-dessus du pont que les objets portés ne doivent pas dépasser—

(i) dans le cas d'un espace non couvert sur un pont formant le dessus d'une coupée, d'une dunette, ou autre espace permanent enclos sur le pont supérieur : trois pieds plus haut que le dessus de cet espace enclos ; et

(ii) dans le cas d'un espace non couvert, n'étant pas un espace formant le dessus de tout espace permanent enclos sur le pont supérieur ou un espace formant le dessus d'un espace couvert : la hauteur de la lisse de pavois, du bastingage, ou des tôles (plating) ou un quatrième de la largeur intérieure du navire, ou sept pieds, quelle que soit la hauteur moindre ; et

(iii) dans le cas d'un espace couvert : la pleine hauteur de cet espace ; et des règlements peuvent être faits par le Board of Trade pour la protection des matelots contre tout risque provenant du transport des objets dans un endroit non couvert à une hauteur permise par le présent article, et ces règlements doivent être mis en force sur le navire.

(4) Pourvu qu'un capitaine ou propriétaire ne sera passible d'aucune amende en vertu du présent article—

(*a*) au sujet d'aucun des articles en bois que le capitaine aura jugé nécessaire de placer ou de garder sur le pont durant le voyage par suite de l'ouverture d'une voie d'eau, ou par suite de quelque autre avarie soufferte ou appréhendée ; ou—

(*b*) s'il prouve que le navire a fait voile du port auquel les articles en bois ont été pris comme chargement de pont à une époque telle, avant le dernier jour d'octobre, qu'il devait s'écouler un temps suffisant, d'après la durée ordinaire du voyage, pour que le navire pût arriver avant cette date au dit port du Royaume-Uni, mais qu'il a été empêché d'y arriver par le mauvais temps ou des circonstances hors de son contrôle ; ou

(*c*) s'il prouve que le navire a fait voile du port auquel les articles en bois ont été pris comme chargement de pont à une époque telle, avant le seizième jour d'avril, qu'il devait s'écouler un temps suffisant, d'après la durée ordinaire du voyage, pour que le navire pût arriver après cette date au dit port du Royaume-Uni, mais qu'en raison d'un voyage exceptionnellement favorable, il y est arrivé plus tôt.

(5) Pour les fins du présent article—

(*a*) l'expression "article de bois" signifiera—

(i) tout bois de service équarri, en grume, flacheux ou autre bois, ou tout pin résineux, acajou, chêne, teck, ou autres gros objets en bois quelconques ; ou

(ii) plus de cinq espars de rechange ou espars de réserve, qu'ils soient ou non faits, dégrossis et définitivement préparés pour être employés ; et

(*b*) l'expression "objets en bois légers" signifie les planches, voliges ou autres objets en bois légers de toute espèce ; et

(*c*) l'expression "chargement de pont" signifie tout chargement porté dans tout espace non couvert sur le pont, ou dans tout espace couvert non compris dans le contenu cube formant le tonnage enregistré du navire, et

(*d*) l'espace dans lequel sont transportés les objets en bois sera censé être l'espace limité par l'étendue en superficie occupé par les objets, et par des lignes droites renfermant un espace rectangulaire suffisant pour contenir les objets.

(6) Rien de contenu dans le présent article ne s'appliquera à aucun navire n'étant pas à destination d'aucun port du Royaume-Uni qui entrera dans un port du Royaume-Uni à cause du mauvais temps, pour y subir des réparations, ou pour toute autre raison que pour y débarquer son chargement.

(7) Le présent article deviendra exécutoire aussitôt que le présent acte sera adopté. 31-3

IL plaît au Gouverneur général en conseil de décréter que les règlements concernant la réserve et la vente des terres au Manitoba, ce qui était autrefois les Territoires du Nord-Ouest, et dans le Territoire du Yukon, établis par arrêtés en conseil du 31 de mai 1901, tel que modifié par arrêtés en conseil subséquents, soient et ils sont par le présent modifiés en y ajoutant la disposition suivante :—

Le Ministre pourra, sur demande à cet effet, faire une réserve préliminaire d'une étendue de 1920 acres pour une période de quatre mois afin de donner à un requérant le temps suffisant d'installer sur la terre la machinerie nécessaire. Chaque demande d'une réserve préliminaire sera accompagnée d'un honoraire de $100, lequel montant sera appliqué à compte du prix d'achat de la terre dans le cas où il se découvrirait de l'huile en quantités payantes, ou pourra être remise s'il ne s'y fait pas de telle découverte. Pourvu, toutefois, que si le requérant manque, dans la susdite période de quatre mois, de mettre sur la terre réservée pour lui, un outillage minier suffisant à la satisfaction du Ministre, la réserve sera cancellée, et l'honoraire payé ne sera pas remboursé. L'étendue à inclure dans une réserve de pétrole, sera choisie en conformité des présents règlements, et les droits et privilèges accordés en vertu de cette réserve ne seront pas transmissibles.

Il plaît en outre, au Gouverneur général en conseil de décréter que les règlements établis par arrêtés en conseil pour la réserve et vente des terrains pétrolifères s'appliqueront aussi à la réserve et vente des terres pour des fins de gaz naturel.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

SÉNAT.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée " partie défenderesse ".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du petitionnaire, faite conformément a l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt*, ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

ARTICLE V.

No other or higher duties shall be imposed on the importation into the dominions and possessions of Her Britannic Majesty of any article, the produce or manufacture of the dominions and possessions of His Majesty the Emperor of Japan, from whatever place arriving; and no other or higher duties shall be imposed on the importation into the dominions and possessions of His Majesty the Emperor of Japan of any article, the produce or manufacture of the dominions and possessions of Her Britannic Majesty, from whatever place arriving, than on the like article produced or manufactured in any other foreign country; nor shall any prohibition be maintained or imposed on the importation of any article, the produce or manufacture of the dominions and possessions of either of the High Contracting Parties, into the dominions and possessions of the other, from whatever place arriving, which shall not equally extend to the importation of the like article, being the produce or manufacture of any other country. This last provision is not applicable to the sanitary and other prohibitions occasioned by the necessity of protecting the safety of persons, or of cattle, or of plants useful to agriculture.

ARTICLE VI.

No other or higher duties or charges shall be imposed in the dominions and possessions of either of the High Contracting Parties on the exportation of any article to the dominions and possessions of the other than such as are, or may be, payable on the exportation of the like article to any other foreign country; nor shall any prohibition be imposed on the exportation of any article from the dominions and possessions of either of the two Contracting Parties to the dominions and possessions of the other which shall not equally extend to the exportation of the like article to any other country.

ARTICLE VII.

The subjects of each of the High Contracting Parties shall enjoy in the dominions and possessions of the other exemption from all transit duties, and a perfect equality of treatment with native subjects in all that relates to warehousing, bounties, facilities, and drawbacks.

ARTICLE VIII.

All articles which are or may be legally imported into the ports of the dominions and possessions of His Majesty the Emperor of

Japan in Japanese vessels may likewise be imported into those ports in British vessels, without being liable to any other or higher duties or charges of whatever denomination than if such articles were imported in Japanese vessels; and reciprocally, all articles which are or may be legally imported into the ports of the dominions and possessions of Her Britannic Majesty in British vessels may likewise be imported into those ports in Japanese vessels, without being liable to any other or higher duties or charges of whatever denomination than if such articles were imported in British vessels. Such reciprocal equality of treatment shall take effect without distinction, whether such articles come directly from the place of origin or from any other place.

In the same manner there shall be perfect equality of treatment in regard to exportation, so that the same export duties shall be paid and the same bounties and drawbacks allowed in the dominions and possessions of either of the High Contracting Parties on the exportation of any article which is or may be legally exported therefrom, whether such exportation shall take place in Japanese or in British vessels, and whatever may be the place of destination, whether a port of either of the Contracting Parties or of any third Power.

Article IX.

No duties of tonnage, harbour, pilotage, lighthouse, quarantine, or other similar or corresponding duties of whatever nature or under whatever denomination, levied in the name or for the profit of the Government, public functionaries, private individuals, Corporations, or establishments of any kind, shall be imposed in the ports of the dominions and possessions of either country upon the vessels of the other country which shall not equally and under the same conditions be imposed in the like cases on national vessels in general or vessels of the most favoured nation. Such equality of treatment shall apply reciprocally to the respective vessels, from whatever port or place they may arrive, and whatever may be their place of destination.

Article X.

In all that regards the stationing, loading and unloading of vessels in the ports, basins, docks, roadsteads, harbours, or rivers of the dominions and possessions of the two countries, no privileges shall be granted to national vessels which shall not be equally granted to vessels of the other country; the intention of the High Contracting Parties being that in this respect also the respective vessels shall be treated on the footing of perfect equality.

Article XI.

The coasting trade of both the High Contracting Parties is excepted from the provisions of the present Treaty, and shall be regulated according to the Laws, Ordinances and Regulations of Japan and Great Britain respectively. It is however understood that Japanese subjects in the dominions and possessions of Her Britannic Majesty, and British subjects in the dominions and possessions of His Majesty the Emperor of Japan, shall enjoy in this respect the rights which are or may be granted under such Laws, Ordinances and Regulations to the subjects or citizens of any other country.

A Japanese vessel laden in a foreign country with cargo destined for two or more ports in the dominions and possessions of Her Britannic Majesty, and a British vessel laden in a foreign country with cargo destined for two or more ports in the domin-

ions and possessions of His Majesty the Emperor of Japan, may discharge a portion of her cargo at one port, and continue her voyage to the other port or ports of destination where foreign trade is permitted, for the purpose of landing the remainder of her original cargo there, subject always to the Laws and Custom-house Regulations of the two countries.

The Japanese Government, however, agrees to allow British vessels to continue, as heretofore, for the period of the duration of the present treaty, to carry cargo between the existing open ports of the empire, excepting to or from the ports of Osaka, Niigata and Ebisu-minato.

Article XII.

Any ship of war or merchant vessel of either of the High Contracting Parties which may be compelled by stress of weather, or by reason of any other distress, to take shelter in a port of the other, shall be at liberty to refit therein, to procure all necessary supplies, and to put to sea again, without paying any dues other than such as would be payable by national vessels. In case, however, the master of a merchant vessel should be under the necessity of disposing of a part of his cargo in order to defray the expenses, he shall be bound to conform to the Regulations and Tariffs of the place to which he may have come.

If any ship of war or merchant vessel of one of the Contracting Parties should run aground or be wrecked upon the coasts of the other, the local authorities shall inform the Consul General, Consul, Vice-Consul or Consular Agent of the district of the occurrence, or if there be no such Consular officer, they shall inform the Consul General, Consul, Vice-Consul or Consular Agent of the nearest district.

All proceedings relative to the salvage of Japanese vessels wrecked or cast on shore in the territorial waters of Her Britannic Majesty shall take place in accordance with the Laws, Ordinances and Regulations of Great Britain, and reciprocally, all measures of salvage relative to British vessels wrecked or cast on shore in the territorial waters of His Majesty the Emperor of Japan shall take place in accordance with the Laws, Ordinances and Regulations of Japan.

Such stranded or wrecked ship or vessel, and all parts thereof, and all furnitures and appurtenances belonging thereunto, and all goods and merchandize saved therefrom, including those which may have been cast into the sea, or the proceeds thereof, if sold, as well as all papers found on board such stranded or wrecked ship or vessel, shall be given up to the owners or their agents, when claimed by them. If such owners or agents are not on the spot, the same shall be delivered to the respective Consuls-General, Consuls, Vice-Consuls or Consular Agents upon being claimed by them within the period fixed by the laws of the country, and such Consular officers, owners or agents shall pay only the expenses incurred in the preservation of the property, together with the salvage or other expenses which would have been payable in the case of a wreck of a national vessel.

The goods and merchandise saved from the wreck shall be exempt from all the duties of the Customs unless cleared for consumption, in which case they shall pay the ordinary duties.

When a ship or vessel belonging to the subjects of one of the Contracting Parties is stranded or wrecked in the territories of the other, the respective Consuls General, Consuls, Vice-Consuls and Consular Agents shall be authorized, in case the owner or master, or other agent of the owner, is not present, to lend their official assistance in order to afford the necessary assistance to the subjects of the respective states. The same rule shall apply in case the owner, master or other agent is present, but requires such assistance to be given.

ARTICLE XIII.

All vessels which, according to Japanese law, are to be deemed Japanese vessels, and all vessels which, according to British law, are to be deemed British vessels, shall, for the purposes of this treaty, be deemed Japanese and British vessels respectively.

ARTICLE XIV.

The Consuls-General, Consuls, Vice-Consuls, and Consular agents of each of the Contracting Parties, residing in the dominions and possessions of the other, shall receive from the local authorities such assistance as can by law be given to them for the recovery of deserters from the vessels of their respective countries.

It is understood that this stipulation shall not apply to the subjects of the country where the desertion takes place.

ARTICLE XV.

The High Contracting Parties agree that, in all that concerns commerce and navigation, any privilege, favour, or immunity which either Contracting Party has actually granted, or may hereafter grant, to the Government, ship, subjects, or citizens of any other State, shall be extended immediately and unconditionally to the Government, ships, subjects, or citizens of the other Contracting Party, it being their intention that the trade and navigation of each country shall be placed, in all respects, by the other on the footing of the most favoured nation.

ARTICLE XVI.

Each of the High Contracting Parties may appoint Consuls-General, Consuls, Vice-Consuls, Pro-Consuls, and Consular Agents in all the ports, cities, and places of the other, except in those where it may not be convenient to recognize such officers.

This exception, however, shall not be made in regard to one of the Contracting Parties without being made likewise in regard to every other power.

The Consuls-General, Consuls, Vice-Consuls, Pro-Consuls, and Consular Agents may exercise all functions, and shall enjoy all privileges, exemptions, and immunities which are, or may hereafter be, granted to Consular officers of the most favoured nation.

ARTICLE XVII.

The subjects of each of the High Contracting Parties shall enjoy in the dominions and possessions of the other the same protection as native subjects in regard to patents, trade-marks and designs, upon fulfilment of the formalities prescribed by law.

ARTICLE XVIII.

Her Britannic Majesty's Government, so far as they are concerned, give their consent to the following arrangement:—

The several foreign Settlements in Japan shall be incorporated with the respective Japanese Communes, and shall thenceforth form part of the general municipal system of Japan.

The competent Japanese authorities shall thereupon assume all municipal obligations and duties in respect thereof, and the common funds and property, if any, belonging to such Settlements, shall at the same time be transferred to the said Japanese authorities.

When such incorporation takes place the existing leases in perpetuity under which property is now held in the said Settle-

ments shall be confirmed, and no conditions whatsoever other than those contained in such existing leases shall be imposed in respect of such property. It is, however, understood that the Consular authorities mentioned in the same are in all cases to be replaced by the Japanese authorities.

All lands which may previously have been granted by the Japanese Government free of rent for the public purposes of the said settlements shall, subject to the right of eminent domain, be permanently reserved free of all taxes and charges for the public purposes for which they were originally set apart.

ARTICLE XIX.

The stipulations of the present treaty shall be applicable, so far as the laws permit, to all the Colonies and foreign possessions of Her Britannic Majesty, excepting to those hereinafter named, that is to say, except to—

India.
The Dominion of Canada.
Newfoundland.
The Cape.
Natal.
New South Wales.
Victoria.
Queensland.
Tasmania
South Australia.
Western Australia.
New Zealand.

Provided always that the stipulations of the present Treaty shall be made applicable to any of the above-named Colonies or foreign possessions on whose behalf notice to that effect shall have been given to the Japanese Government by Her Britannic Majesty's representative at Tôkiô within two years from the date of the exchange of ratifications of the present Treaty.

ARTICLE XX.

The present Treaty shall, from the date it comes into force, be substituted in place of the Conventions respectively of the 23rd day of the 8th month of the 7th year of Kayei, corresponding to the 14th day of October, 1854, and of the 13th day of the 5th month of the 2nd year of Keiou, corresponding to the 25th day of June, 1866, the treaty of the 18th day of the 7th month of the 5th year of Ansei, corresponding to the 26th day of August, 1858, and all Arrangements and Agreements subsidiary thereto concluded or existing between the High Contracting Parties; and from the same date such Conventions, Treaty, Arrangements and Agreements shall cease to be binding, and, in consequence, the jurisdiction then exercised by British Courts in Japan, and all the exceptional privileges, exemptions, and immunities then enjoyed by British subjects as a part of or appurtenant to such jurisdiction, shall absolutely and without notice cease and determine, and thereafter all such jurisdiction shall be assumed and exercised by Japanese Courts.

ARTICLE XXI.

The present Treaty shall not take effect until at least five years after its signature. It shall come into force one year after His Imperial Japanese Majesty's Government shall have given notice to Her Britannic Majesty's Government of its wish to have the same brought into operation. Such notice may be given at any time after the expiration of four years from the

date hereof. The Treaty shall remain in force for the period of twelve years from the date it goes into operation.

Either High Contracting Party shall have the right, at any time after eleven years shall have elapsed from the date this Treaty takes effect, to give notice to the other of its intention to terminate the same, and at the expiration of twelve months after such notice is given this Treaty shall wholly cease and determine.

ARTICLE XXII.

The present Treaty shall be ratified, and the ratifications thereof shall be exchanged at Tôkiô as soon as possible, and not later than six months from the present date.

In witness whereof, the respective plenipotentiaries have signed the same and have affixed thereto the seal of their arms.

Protocol signed at London, July 16, 1894.

The Government of Her Majesty the Queen of Great Britain and Ireland and Empress of India, and the Government of His Majesty the Emperor of Japan, deeming it advisable in the interests of both countries to regulate certain special matters of mutual concern, apart from the Treaty of Commerce and Navigation, signed this day, have, through their respective plenipotentiaries, agreed upon the following stipulations:—

1. It is agreed by the Contracting Parties that one month after the exchange of the ratifications of the Treaty of Commerce and Navigation, signed this day, the Import Tariff hereunto annexed shall, subject to the provisions of Article XXIII of the treaty of 1858, at present subsisting between the Contracting Parties, as long as the said Treaty remains in force and thereafter subject to the provisions of Articles V and XV of the treaty signed this day, be applicable to the articles therein enumerated, being the growth, produce or manufacture of the dominions and possessions of Her Britannic Majesty, upon importation into Japan. But nothing contained in this Protocol, or the Tariff hereunto annexed, shall be held to limit or qualify the right of the Japanese Government to restrict or to prohibit the importation of adulterated drugs, medicines, food, or beverages; indecent or obscene prints, paintings, books, cards, lithographic or other engravings, photographs, or any other indecent or obscene articles; articles in violation of patent, trade-mark, or copyright laws of Japan; or any other article which for sanitary reasons, or in view of public security or morals, might offer any danger.

The *ad valorem* duties established by the said Tariff shall, so far as may be deemed practicable, be converted into specific duties by a Supplementary Convention, which shall be concluded between the two Governments within six months from the date of this Protocol; the medium prices, as shown by the Japanese Customs Returns during the six calendar months preceding the date of the present Protocol, with the addition of the cost of insurance and transportation from the place of purchase, production, or fabrication, to the port of discharge, as well as commission, if any, shall be taken as the basis for such conversion. In the event of the Supplementary Convention not having come into force before the expiration of the period fixed for the said Tariff to take effect, *ad valorem* duties in conformity with the

rule recited at the end of the said Tariff shall, in the meantime, be levied.

In respect of articles not enumerated in the said Tariff, the General Statutory Tariff of Japan for the time being in force shall, from the same time, apply, subject, as aforesaid, to the provisions of Article XXIII of the Treaty of 1858 and articles V and XV of the Treaty signed this day respectively.

From the date the Tariffs aforesaid take effect, the Import Tariff now in operation in Japan in respect of goods and merchandise imported into Japan by British subjects shall cease to be binding.

In all other respects the stipulations of the existing Treaties and Conventions shall be maintained unconditionally until the time when the Treaty of Commerce and Navigation signed this day comes into force.

2. The Japanese Government, pending the opening of the country to British subjects, agrees to extend the existing passport system in such a manner as to allow British subjects, on the production of a certificate of recommendation from the British Representative in Tôkiô, or from any of Her Majesty's Consuls at the open ports in Japan, to obtain upon application passports available for any part of the country, and for any period not exceeding twelve months, from the Imperial Japanese Foreign Office in Tôkiô, or from the chief authorities in the Prefecture in which an open port is situated; it being understood that the existing Rules and Regulations governing British subjects who visit the interior of the Empire are to be maintained.

3. The Japanese Government undertakes, before the cessation of British Consular jurisdiction in Japan, to join the International Conventions for the Protection of Industrial Property and Copyright.

4. It is understood between the two High Contracting Parties that, if Japan think it necessary at any time to levy an additional duty on the production or manufacture of refined sugar in Japan, an increased customs duty equivalent in amount may be levied on British refined sugar when imported into Japan, so long as such additional excise tax or inland duty continues to be raised.

Provided always that British refined sugar shall in this respect be entitled to the treatment accorded to refined sugar being the produce or manufacture of the most favoured nation.

5. The undersigned Plenipotentiaries have agreed that this Protocol shall be submitted to the two High Contracting Parties at the same time as the Treaty of Commerce and Navigation, signed this day, and that when the said Treaty is ratified, the agreements contained in the Protocol shall also equally be considered as approved, without the necessity of a further formal ratification.

It is also agreed that this Protocol shall terminate at the same time the said Treaty ceases to be binding.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

Done at London, in duplicate, this sixteenth day of July, in the year of Our Lord one thousand eight hundred and ninety-four.

Import duties payable *ad valorem* under this tariff shall be calculated on the actual cost of the articles at the place of purchase, production, or fabrication, with the addition of the cost of insurance and transportation from the place of purchase production, or fabrication, to the port of discharge, as well as commission, if any exists.

Exchange of Notes.

The Earl of Kimberley to Viscount Aoki.

Foreign Office, July 16, 1894.

Sir,

With reference to Article XIX of the Treaty between Great Britain and Japan signed this day, in view of the fact that some of the British Colonies and foreign possessions enumerated in that Article might be prevented from acceding to the present Treaty by reason of their inability to accept the stipulations relating to military service contained in Article II of the said treaty, and in order to avoid future misunderstandings, Her Majesty's government request from the government of Japan

an assurance that any of the said British Colonies and possessions may accede to the present Treaty under the conditions that, notwithstanding such accession, they shall not be bound by the stipulations of Article II.

I have, &c.,
(Signed) KIMBERLEY.

Viscount Aoki to the Earl of Kimberley.

Japanese Legation,
London, July 16, 1894.

M. le Comte,

In reply to the note of Her Majesty's Government, referring to Article XIX of the Treaty between Great Britain and Japan signed this day, and requesting, for the reasons given in the said note, an assurance that any of the British Colonies and foreign possessions enumerated in that article may accede to the present Treaty under the condition that, notwithstanding such accession, they shall not be bound by the stipulations of Article II, the government of Japan hereby give the assurance desired.

I have, &c.,
(Signed) AOKI.

Viscount Aoki to the Earl of Kimberley.

The Undersigned, Envoy extraordinary and Minister Plenipotentiary of His Majesty the Emperor of Japan, in virtue of special authorization from His Imperial Japanese Majesty's Government, has the honour to announce to Her Britannic Majesty's Principal Secretary of State for Foreign Affairs, that the Imperial Japanese Government, recognizing the advantage of having the Codes of the Empire which have already been promulgated in actual operation when the Treaty stipulations at present subsisting between the Government of Japan and that of Great Britain cease to be binding, engage not to give the notice provided for by the first paragraph of Article XXI of the Treaty of Commerce and Navigation, signed this day, until those portions of said Codes which are now in abeyance are brought into actual force.

The Undersigned avails, &c.

SUPPLEMENTARY CONVENTION BETWEEN GREAT BRITAIN AND JAPAN RESPECTING THE DUTIES TO BE CHARGED ON BRITISH GOODS IMPORTED INTO JAPAN.

Signed at Tôkiô, July 16, 1895.

[*Ratifications exchanged at Tôkiô, November* 21, 1895.]

Whereas by the Protocol signed at London, on the 16th of July, 1894, it was agreed between the Government of Her Britannic Majesty and the Government of His Majesty the Emperor

of Japan that the *ad valorem* duties of the Tariff annexed to the aforesaid Protocol should, so far as might be deemed practicable, be converted into specific duties by means of a Supplementary Convention, to be concluded between the two Governments within six months from the date of that Protocol; and

Whereas this period was extended by subsequent arrangement:

The High Contracting Parties have appointed as their Plenipotentiaries to conclude a Convention for this purpose, that is to say:

Her Britannic Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, Gerard Augustus Lowther, Her Britannic Majesty's Chargé d'Affaires;

And His Majesty the Emperor of Japan, Marquis Saionzi Kimmochi, Junii, first class of the Order of the Sacred Treasure, His Imperial Majesty's Minister of State for Education, and Acting Minister of State for Foreign Affairs;

Who, having communicated to each other their respective full powers, found in good and due form, have agreed upon and concluded the following articles:—

1. The Tariff annexed to this Convention shall be substituted for the *ad valorem* Tariff annexed to the aforesaid Protocol of the 16th of July, 1894; it shall be subject to all the stipulations contained in Article 1 of that Protocol, in so far as these are applicable, and it shall come into force one month after the exchange of the ratifications of this Convention.

2. The specific duties established by this Convention shall be subject to triennial readjustment. Such readjustment shall be based on the difference between the average of the two quarterly rates of exchange adopted by the Japanese Customs during the six months ending June 30th, 1894, and the average of the rates of exchange adopted by the Japanese Customs for the four quarters preceding that in which each successive period of three years expires.

The Schedule of readjusted duties shall be published by the Japanese Government three months in advance, and shall take effect immediately upon the expiration of the said period.

It is understood between the High Contracting Parties that the operation of this stipulation shall be subject to the acceptance of a similar arrangement by the other Powers with whom Conventional Tariffs are now being negotiated by Japan.

3. The quarterly rates of exchange mentioned in the preceding Article are the rates determining the comparative values, as entered in the quarterly Tables published by the Japanese Department of Finance, of the present Japanese silver yen on the one hand, and of the English pound sterling on the other.

4. The present Convention shall have the same duration as the Treaty and Protocol concluded on the 16th of July, 1894, of which it is a complement.

5. The present Convention shall be ratified, and the ratifications shall be exchanged at Tôkiô as soon as possible, and not later than six months from the present date.

Done at Tôkiô, in duplicate, this 16th day of July, 1895.

IL plaît au Gouverneur général en conseil de décréter que les règlements concernant la réserve et la vente des terres au Manitoba, ce qui était autrefois les Territoires du Nord-Ouest, et dans le Territoire du Yukon, établis par arrêtés en conseil du 31 de mai 1901, tel que modifié par arrêtés en conseil subséquents, soient et ils sont par le présent modifiés en y ajoutant la disposition suivante :—

Le Ministre pourra, sur demande à cet effet, faire une réserve préliminaire d'une étendue de 1920 acres pour une période de quatre mois afin de donner à un requérant le temps suffisant d'installer sur la terre la machinerie nécessaire. Chaque demande d'une réserve préliminaire sera accompagnée d'un honoraire de $100, lequel montant sera appliqué à compte du prix d'achat de la terre dans le cas où il se découvrirait de l'huile en quantités payantes, ou pourra être remise s'il ne s'y fait pas de telle découverte. Pourvu, toutefois, que si le requérant manque, dans la susdite période de quatre mois, de mettre sur la terre réservée pour lui, un outillage minier suffisant à la satisfaction du Ministre, la réserve sera cancellée, et l'honoraire payé ne sera pas remboursé. L'étendue à inclure dans une réserve de pétrole, sera choisie en conformité des présents règlements, et les droits et privilèges accordés en vertu de cette réserve ne seront pas transmissibles.

Il plaît en outre, au Gouverneur général en conseil de décréter que les règlements établis par arrêtés en conseil pour la réserve et vente des terrains pétrolifères s'appliqueront aussi à la réserve et vente des terres pour des fins de gaz naturel.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

SÉNAT.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée " partie défenderesse ".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément a l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements uivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui, —dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt*, ou une *compagnie industrielle*, sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changemeuts pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, là ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

Greffier du Sénat.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

On a Memorandum dated 5th January, 1907, from the Minister of the Interior, submitting with reference to certain lands comprising an aggregate area of 85,569.82 acres, and particularly described in Schedule "A" which were included in joint reports dated prior to 1st January, 1897, of Messrs. Wagner and Crawford, the Commissioners for the purpose of making a selection of swamp lands in the Province of Manitoba to be granted to the Province under the provisions of section 4 of chapter 47, Revised Statutes of Canada, the said reports being dated respectively 16th February, 1888, 22nd December, 1888, 26th January, 1891, 15th March, 1892, 19th February, 1894, 15th December, 1894, 31st March, 1896, 23rd February, 1896, and 31st December, 1896, that when the lands comprised in these reports were being dealt with in the Department of the Interior with a view to the transfer to the Province of such lands so reported by the said Commissioners as were found to be clear and available for the purpose, according to Departmental records, the

lands comprised in the said Schedule "A" were found not to be available for transfer because unsurveyed, or included in timber berths under license or permit, or otherwise not available.

The Minister states that the survey of such of these lands as were unsurveyed having now been completed and the rights under the timber licenses or permits having expired, and the reasons for which the transfer was not made in the remaining cases being also no longer operative to prevent the transfer, there appears to be now no reason why these lands should not be forthwith transferred to the Province.

The Minister therefore recommends that title to the said lands enumerated in Schedule "A" be vested in His Majesty King Edward the Seventh for the purposes of the Province of Manitoba, under the provisions of the 4th section of chapter 47 of the Revised Statutes of Canada.

The Committee submit the same for approval.

JOHN J. McGEE,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 29th day of December, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 20th September, 1906, from the Minister of the Interior, stating that in the regulations which are now in force governing the issue of leases to dredge for minerals in the submerged beds of rivers in Manitoba and what was formerly the North West Territories, excepting the Yukon Territory, provision is made whereby the lessee and all persons in his employ engaged in dredging upon such rivers are required to take out free miner's certificates in the manner provided for in the regulations governing placer mining in the Yukon Territory.

The Minister further states that provisions which are similar in their effect with respect to the obtaining of free miner's certificates by lessees, locatees and other grantees, are contained in other regulations now in force which respectively govern hydraulic mining locations under lease in the Yukon Territory, mining by dredging in that Territory, and placer mining in Manitoba and what was formerly the North West Territories.

The Minister observes that under the Act passed at the last session of Parliament, entitled "An Act respecting Mining in the Yukon Territory", no provision is made for the issue of free miner's certificates, It has therefore been decided that from the first of August, 1906, the date upon which the above Act came into force, there has been no necessity for any person or company then or thereafter engaged or about to engage in any kind of mining under the control of the Minister of the Interior to obtain or renew a free miner's certificate.

The Minister recommends that the foregoing conclusions be approved, and further that the Minister of the Interior be authorized to have refunded to the payee any moneys paid for a free miner's certificate, or for the renewal thereof, in the case of every such certificate or renewal bearing date on or after the first day of August, 1906.

The Committee submit the same for approval.

JOHN J. McGEE,
34-4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 8th day of January, 1907.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 16th August, 1906, from the Minister of the Interior, submitting, with reference to the Order in Council of the 17th February, 1899, relating to certain exchanges of lands with the Province of Manitoba, the lands therein referred to as being surrendered or to be surrendered by the Province, being lands which had been classed as swamp lands under the provisions of the 4th section of chapter 47 of the Revised Statutes of Canada, the following statement of account with the Province which accompanies this Order in Council :—

Spruce Woods Timber Reserve.

Total swamp lands in Reserve	30,674.65 ac.	
Portion retained by province at Eastern end of Reserve as per list attached	4,592.87 ac.	26,081.78

Lands elsewhere in Manitoba.

Revested in the Dominion, no lands having been selected therefor by the Province	1,690.10	
To be revested in the Dominion by the Prov. for entry purposes	1,222.61	
Area required for Galicians in the Brokenhead District	4,160.00	
Area of lands selected by the Swamp Lands Commissioners from time to time but not available for transfer to Manitoba having been either entered for or patented subsequent to the passing of the Swamp Lands Act	48,470.00	
To compensate for the above the Province is to receive the lands designated in List A		12,194.81
List B		8,000.16
List C		5,210.80
List D. (Spruce Woods)		26,099.79
List E		30,120.00
	81,624.49	81,625.56

The Minister further submits that since the date of the said Order in Council of the 17th February, 1899, the title to all the lands therein referred to as being swamp lands required by the Dominion Government has been vested in the Dominion.

That the total area revested by the Province in the Dominion for the Spruce Woods Forest Reserve is 25,466.39 acres.

That there have been a considerable number of cases in which the Province has revested lands, the title to which had passed to it as swamp lands, for the purpose of allowing the Dominion to grant homestead entry therefor, but in many of these cases an equivalent area was at the time passed to the Province so that in such cases the exchange was at once closed out. A complete list of all lands revested in the Dominion for homesteaders and as to which no exchange has been granted has been prepared and after excluding therefrom certain lands revested for Galicians in the Brokenhead District, and which are dealt with separately hereunder, the total area for which the Province is entitled to compensation under this head is 3,590.48 acres.

That there was revested for Galicians in the Brokenhead District a total area of 3,528.88 acres.

The Minister states that in the above quoted statement of account with the Manitoba Government from the Order in Council of the 17th February, 1899, there is an item of 48,470 acres of lands selected by the Swamp Lands Commissioners from time to time but stated to be then not available for transfer to the Province, having been either entered for or patented subsequent to the passing of the Swamp Lands Act. This statement was intended to include lands examined to the end of the season of 1896, and of such lands not yet transferred to the Province, a careful examination of the records of the Department has been made so as to ascertain those which should properly be included under this head, and the correct area for which the Province was to be given an equal area in lieu has been found to be 42,397.09 acres.

That by Order in Council dated 15th May, 1894, the title to certain lands not included in the above quoted statement from the Order in Council of the 17th February, 1899, was vested in the Province in part exchange for certain lands the title to which had been vested in the Province as Swamp Lands, but being odd-numbered Sections within the Canadian Pacific Railway Company's Main Line Subsidy Reserve that Company claimed the prior right to these lands and an arrangement was effected with the Province by which the title was revested in the Dominion in order that patents might be issued to the Canadian Pacific Railway Company. By Order in Council dated 4th June, 1902, the title to certain additional lands was vested in the Province on this account. The total area revested by the Province on this account is 6,547.76 acres (revested in the Dominion by Provincial Orders in Council dated June 26th, 1894, and August 28th, 1901) and the total area vested in the Province in exchange is 6,611.48 acres, showing an excess area vested in the Province on this account (as stated in the said Order in Council dated 4th June, 1894,) of 63.72 acres, which excess area it was agreed was to be carried forward to the credit of the Province on account of the next exchange.

The Minister represents that on account of the exchange referred to in the said Order dated 17th February, 1899, there has been vested in the Province by Order in Council dated 18th August, 1899, an area of 26,098.29 acres, and by Order in Council dated 26th May, 1900, a total area of 31,378.10 acres, and by the said Order of the 26th May, 1900, the title to certain lands which were then unsurveyed and which had been reserved by the said Order in Council of 17th February, 1899, for offer to the Province in connection with these exchanges was ordered to be passed to the Province when the lands were surveyed. Under the Forest Reserve Act passed during the last session of the Dominion Parliament, some of these lands are however not available for transfer being within the Duck Mountain Forest Reserve.

The total area of land now available for transfer to the Province of the lands reserved for offer to the Province by said Order in Council of 17th February, 1899, is 13,137 acres, and being the lands in schedule A attached hereto. The addition of this area of 13,137 acres to the areas above referred to as having been already vested in the Province on this account shows that there is left a balance of 4,305·73 acres yet to be found elsewhere to complete the area due to the Province on account of these exchanges.

The statement of account quoted above from the said Order in Council dated the 17th day of February, 1899, should now be properly stated as follows :—

SWAMP LANDS, MANITOBA.

Statement as to Exchanges to 1st January, 1907.

Total area revested for Galicians in the Brokenhead District		3,528.88
Area of land selected by the Swamp Lands Commissioners from time to time (to end of season 1896) but not available for transfer to Manitoba, having been either entered for or patented or otherwise disposed of subsequent to the passing of the Swamp Lands Act		42,397.09

		81,530.60

To compensate for the above the Province has received lands as follows :—

	Acres.

" " May 26, 1900 (List A).	11,881.10

" " " " (List B).	6,286.04	
Add area of lands clear for transfer to the Province and now proposed to be transferred to the Province, being a portion of the lands described in said Order of May 26, 1900, as to be transferred to the Province when surveyed	13,137.00	
	70,613.39	
Add area vested in the Province by Order in Council 15th May, 1894, (5,971.48) and O. in C. 4th June, 1902, (640) account lands revested for C. P. Ry. Co.	6,611.48	
	77,224.87	
Area yet required to close out this exchange with the Province	4,305.73	
Total	81,530.60	81,530.60

The Minister therefore recommends that title to all the lands in said schedule "A" be vested in His Majesty Kind Edward the Seventh for the purposes of the Province of Manitoba on account of the exchanges referred to, and that the Province be compensated in a

further area of 4,305.73 acres to close out the exchanges referred to herein from available Dominion Lands in the Province of Manitoba.

The Committee submit the same for approval.

JOHN J. McGEE,
Clerk of the Privy Council.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and sha specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties ; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

INSTRUCTIONS.

Avis est donné pour renseignement général qu'un examen pour les lieutenant d'infanterie qui n'ont pas encore obtenu de certificat, sera tenu aux camps d'exercices, 1907, aux mêmes conditions que celles posées par l'O. G. 65, 1906, qui est reproduit ici :—

APTITUDES—INFANTERIE.

(1) Afin de procurer aux officiers provisoires de l'infanterie en campement, et qui n'ont pu assister à une école d'instruction, un moyen de se rendre compétents, un examen spécial en exercices et en administration sera tenu dans les camps d'exercices de 1906.

(2) Tous les officiers provisoires d'infanterie qui ont été nommés avant 1906 et sont en campement, seront tenus de se présenter à cet examen ; ceux qui passeront seront réputés compétents pour le grade de lieutenant dans l'infanterie, et les changements nécessaires seront faits vis-à-vis leurs noms dans le Contrôle de la Milice.

(3) L'examen sera conduit par une commission d'officiers, assemblés sous les ordres du commandant du camp, composée d'un président et de deux membres, dont un sera un officier des troupes permanentes d'un grade supérieur. Le président sera, si possible, le commandant même.

(4) La partie écrite de l'examen sera établie par la commission, et sera tenue à des heures qui n'interviendront pas dans l'instruction quotidienne des troupes en campement. La partie pratique sera exécutée à tout stage de l'instruction en camp.

(5) La commission aura à se convaincre :—(*a*) Que chaque candidat a la force de caractère et les qualités générales qui le rendent apte à tenir une commission dans la milice canadienne ; (*b*) qu'il possède une connaissance parfaite des sujets énumérés dans le paragraphe 6, en tant que les devoirs d'un officer subalterne sont concernés.

(6) La nature de l'examen sera comme suit :

COURS DE LA PARTIE ÉCRITE.

Sujets.	Livres recommandés.	Observations.
Loi militaire. Punitions sommaires et légères. Arrestation militaire des délinquants. Pouvoirs d'un officier commandant et capitaine d'une compagnie. (7) Vu qu'il ne sera pas donné en camp aucune instruction spéciale préparatoire à cet examen, sauf par les officiers commandants à leurs propres officiers, il faut nécessairement que tous les officiers qui se présentent se préparent par l'étude avant de venir au camp. Les officiers commandants veilleront à ce que le présent ordre soit porté à la connaissance de tous les officiers provisoires dans le corps qu'ils commandent, et ils prendront les mesures pour leur aider à se préparer en conséquence.

(8) Un commandant de camp peut, s'il le juge à propos, retenir pendant deux jours après la levée du camp, pour compléter leurs examens, ceux des candidats que la commission n'a pu examiner durant le camp. Si une unité de l'infanterie permanente est en campement, il peut la retenir pour ces deux jours.

(9) Le procès-verbal de la commission sera envoyé au quartier général.

Le but de cet examen est de servir aux officiers qui n'ont pu trouver le temps d'assister aux écoles d'instruction. Ces officiers sont informés que tout officier qui le désire, peut se mettre en état de passer l'examen, s'il utilise ses moments de loisir à étudier et se préparer.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. 2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

SÉNAT.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée " partie défenderesse ".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément a l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt*, ou une *compagnie industrielle*, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com-

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, là ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

ON a Memorandum dated 5th January, 1907, from the Minister of the Interior, submitting with reference to certain lands comprising an aggregate area of 85,569.82 acres, and particularly described in Schedule "A" which were included in joint reports dated prior to 1st January, 1897, of Messrs. Wagner and Crawford, the Commissioners for the purpose of making a selection of swamp lands in the Province of Manitoba to be granted to the Province under the provisions of section 4 of chapter 47, Revised Statutes of Canada, the said reports being dated respectively 16th February, 1888, 22nd December, 1888, 26th January, 1891, 15th March, 1892, 19th February, 1894, 15th December, 1894, 31st March, 1896, 23rd February, 1896, and 31st December, 1896, that when the lands comprised in these reports were being dealt with in the Department of the Interior with a view to the transfer to the Province of such lands so reported by the said Commissioners as were found to be clear and available for the purpose, according to Departmental records, the lands comprised in the said Schedule "A" were found not to be available for transfer because unsurveyed, or included in timber berths under license or permit, or otherwise not available.

The Minister states that the survey of such of these lands as were unsurveyed having now been completed and the rights under the timber licenses or permits having expired, and the reasons for which the transfer was not made in the remaining cases being also no longer operative to prevent the transfer, there appears to be now no reason why these lands should not be forthwith transferred to the Province.

The Minister therefore recommends that title to the said lands enumerated in Schedule "A" be vested in His Majesty King Edward the Seventh for the purposes of the Province of Manitoba, under the provisions of the 4th section of chapter 47 of the Revised Statutes of Canada.

The Committee submit the same for approval.

JOHN J. McGEE,
Clerk of the Privy Council.

Department of the Interior,
Ottawa, 5th January, 1907. 34–4

[Ref. 3,374.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 29th day of December, 1906.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 20th September, 1906, from the Minister of the Interior, stating that in the regulations which are now in force governing the issue of leases to dredge for minerals in the submerged beds of rivers in Manitoba and what was formerly the North West Territories, excepting the Yukon Territory, provision is made whereby the lessee and all persons in his employ engaged in dredging upon such rivers are required to take out free miner's certificates in the manner provided for in the regulations governing placer mining in the Yukon Territory.

The Minister further states that provisions which are similar in their effect with respect to the obtaining of free miner's certificates by lessees, locatees and other grantees, are contained in other regulations now in force which respectively govern hydraulic mining locations under lease in the Yukon Territory, mining by dredging in that Territory, and placer mining in Manitoba and what was formerly the North West Territories.

The Minister observes that under the Act passed at the last session of Parliament, entitled "An Act respecting Mining in the Yukon Territory", no provision is made for the issue of free miner's certificates, It has therefore been decided that from the first of August, 1906, the date upon which the above Act came into force, there has been no necessity for any person or company then or thereafter engaged or about to engage in any kind of mining under the control of the Minister of the Interior to obtain or renew a free miner's certificate.

The Minister recommends that the foregoing conclusions be approved, and further that the Minister of the Interior be authorized to have refunded to the payee any moneys paid for a free miner's certificate, or for the

renewal thereof, in the case of every such certificate or renewal bearing date on or after the first day of August, 1906.

The Committee submit the same for approval.

JOHN J. McGEE,
34-4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 8th day of January, 1907.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 16th August, 1906, from the Minister of the Interior, submitting, with reference to the Order in Council of the 17th February, 1899, relating to certain exchanges of lands with the Province of Manitoba, the lands therein referred to as being surrendered or to be surrendered by the Province, being lands which had been classed as swamp lands under the provisions of the 4th section of chapter 47 of the Revised Statutes of Canada, the following statement of account with the Province which accompanies this Order in Council :—

Spruce Woods Timber Reserve.

Total swamp lands in Reserve.....30,674.65 ac.		
Portion retained by province at Eastern end of Reserve as per list attached..... 4,592.87 ac.		26,081.78

Lands elsewhere in Manitoba.

Revested in the Dominion, no lands having been selected therefor by the Province....	1,690.10	
To be revested in the Dominion by the Prov. for entry purposes.....	1,222.61	
Area required for Galicians in the Brokenhead District....	4,160.00	
Area of lands selected by the Swamp Lands Commissioners from time to time but not available for transfer to Manitoba having been either entered for or patented subsequent to the passing of the Swamp Lands Act.....	48,470.00	
To compensate for the above the Province is to receive the lands designated in List A...		12,194.81
List B.....		8,000.16
List C.....		5,210.80
List D. (Spruce Woods).....		26,099.79
List E.....		30,120.00
	81,624.49	81,625.56

The Minister further submits that since the date of the said Order in Council of the 17th February, 1899, the title to all the lands therein referred to as being swamp lands required by the Dominion Government has been vested in the Dominion.

That the total area revested by the Province in the Dominion for the Spruce Woods Forest Reserve is 25,466.39 acres.

That there have been a considerable number of cases in which the Province has revested lands, the title to which had passed to it as swamp lands, for the purpose of allowing the Dominion to grant homestead entry therefor, but in many of these cases an equivalent area was at the time passed to the Province so that in such cases the exchange was at once closed out. A complete list of all lands revested in the Dominion for homesteaders and as to which no exchange has been granted has been prepared and after excluding therefrom certain lands revested for Galicians in the Brokenhead District, and which are dealt with separately hereunder, the total area for which the Province is entitled to compensation under this head is 3,590.48 acres.

That there was revested for Galicians in the Brokenhead District a total area of 3,528.88 acres.

The Minister states that in the above quoted statement of account with the Manitoba Government from the Order in Council of the 17th February, 1899, there is an item of 48,470 acres of lands selected by the Swamp Lands Commissioners from time to time but stated to be then not available for transfer to the Province, having been either entered for or patented subsequent to the passing of the Swamp Lands Act. This statement was intended to include lands examined to the end of the season of 1896, and of such lands not yet transferred to the Province, a careful examination of the records of the Department has been made so as to ascertain those which should properly be included under this head, and the correct area for which the Province was to be given an equal area in lieu has been found to be 42,397.09 acres.

That by Order in Council dated 15th May, 1894, the title to certain lands not included in the above quoted statement from the Order in Council of the 17th February, 1899, was vested in the Province in part exchange for certain lands the title to which had been vested in the Province as Swamp Lands, but being odd-numbered Sections within the Canadian Pacific Railway Company's Main Line Subsidy Reserve that Company claimed the prior right to these lands and an arrangement was effected with the Province by which the title was revested in the Dominion in order that patents might be issued to the Canadian Pacific Railway Company. By Order in Council dated 4th June, 1902, the title to certain additional lands was vested in the Province on this account. The total area revested by the Province on this account is 6,547.76 acres (revested in the Dominion by Provincial Orders in Council dated June 26th, 1894, and August 28th, 1901) and the total area vested in the Province in exchange is 6,611.48 acres, showing an excess area vested in the Province on this account (as stated in the said Order in Council dated 4th June, 1894,) of 63.72 acres, which excess area it was agreed was to be carried forward to the credit of the Province on account of the next exchange.

The Minister represents that on account of the exchange referred to in the said Order dated 17th February, 1899, there has been vested in the Province by Order in Council dated 18th August, 1899, an area of 26,098.29 acres, and by Order in Council dated 26th May, 1900, a total area of 31,378.10 acres, and by the said Order of the 26th May, 1900, the title to certain lands which were then unsurveyed and which had been reserved by the said Order in Council of 17th February, 1899, for offer to the Province in connection with these exchanges was ordered to be passed to the Province when the lands were surveyed. Under the Forest Reserve Act passed during the last session of the Dominion Parliament, some of these lands are however not available for transfer being within the Duck Mountain Forest Reserve.

The total area of land now available for transfer to the Province of the lands reserved for offer to the Province by said Order in Council of 17th February,

1899, is 13,137 acres, and being the lands in schedule A attached hereto. The addition of this area of 13,137 acres to the areas above referred to as having been already vested in the Province on this account shows that there is left a balance of 4,305·73 acres yet to be found elsewhere to complete the area due to the Province on account of these exchanges.

The statement of account quoted above from the said Order in Council dated the 17th day of February, 1899, should now be properly stated as follows :—

SWAMP LANDS, MANITOBA.

Statement as to Exchanges to 1st January, 1907.

Total area revested for Galicians in the Brokenhead District	3,528.88
Area of land selected by the Swamp Lands Commissioners from time to time (to end of season 1896) but not available for transfer to Manitoba, having been either entered for or patented or otherwise disposed of subsequent to the passing of the Swamp Lands Act	42,397.09

Add area (odd numbered sections) transferred to Province in Canadian Pacific Railway Main Line Belt Reserve, but revested in the Dominion in order that patents might be issued to the Canadian Pacific Railway Company	6,547.76
	81,530.60

To compensate for the above the Province has received lands as follows :—

	Acres.	
By O. C. Aug. 18, 1899 (List B)	25,098.29	
" " May 26, 1900 (List A)	11,881.10

" " " " (List B)	6,286.04	
Add area of lands clear for transfer to the Province and now proposed to be transferred to the Province, being a portion of the lands described in said Order of May 26, 1900, as to be transferred to the Province when surveyed	13,137.00	
	70,613.39	
Add area vested in the Province by Order in Council 15th May, 1894, (5,971.48) and O. in C. 4th June, 1902, (640) account lands revested for C. P. Ry. Co.	6,611.48	
	77,224.87	
Area yet required to close out this exchange with the Province	4,305.73	
Total	81,530.60	81,530.60

The Minister therefore recommends that title to all the lands in said schedule "A" be vested in His Majesty Kind Edward the Seventh for the purposes of the Province of Manitoba on account of the exchanges referred to, and that the Province be compensated in a further area of 4,305.73 acres to close out the exchanges referred to herein from available Dominion Lands in the Province of Manitoba.

The Committee submit the same for approval.

JOHN J. McGEE,
Clerk of the Privy Council.

THE NORTHERN BANK.

NOTICE is hereby given that after the publication of this notice for four weeks application will be made to the Treasury Board for a certificate approving of the following by-law passed at the annual general meeting of the shareholders of the Northern Bank on the 16th day of January, 1907.

HOTEL DU GOUVERNEMENT A OTTAWA.

Mardi, le 8e jour de janvier 1907.

PRESENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté le 16 d'août 1906, du ministre de l'Intérieur, soumettant, au sujet de l'arrêté en conseil du 17 de février 1899 relatif à certains échanges de terres avec la province du Manitoba,—les dites terres y mentionnées comme étant cédées ou devant être cédées par la province étant des terres classées comme terrains marécageux en vertu des dispositions du 4e article du chapitre 47 des Statuts revisés du Canada,—l'état de compte courant avec la province qui accompagne le dit arrêté en conseil :—

Réserve des Bois d'épinette blanche.

Total des terrains marécageux dans la réserve.....	30,674.65 ac.	
Partie retenue par la province à l'extrémité Est de la réserve d'après la liste y attachée...	4,592.87 ac.	—26,081.78

Terres ailleurs au Manitoba.

Recédé au Dominion, aucunes terres n'ayant été choisies par la province.....	1,690.10	
A recéder au Dominion par la province pour des fins de homestead.	1,222.61	
Etendue requise pour les Galiciens dans le district de Brokenhead..	4,160.00	
Etendue de terres choisies de temps à autre par les Commissaires des terrains marécageux, mais non disponibles pour être transférées au Manitoba, ayant été soit inscrites soit concédées subséquemment à l'adoption de l'*Acte des terrains marécageux*.....	48,470.00	
Pour compenser à ce qui précède la province doit recevoir les terres désignées dans la liste A.....		12,194.81
Liste B.....		8,000.10
Liste C.....		5,210.80
Liste D (bois d'épinette blanche)...		20,099.70
Liste E.....		30,120.00
	81,624.49	81,625.59

Le Ministre soumet, de plus, que depuis la date du dit arrêté en conseil du 17 de février 1899, le titre à toutes les terres qui y sont mentionnées comme terrains marécageux requis par le gouvernement, a été attribué au Dominion.

Que l'étendue totale recédée au Dominion par la province pour la Réserve des bois d'épinette blanche, est de 25,466.39 acres.

Qu'il existe de nombreux cas où la province a recédé des terres dont le titre lui avait été attribué

comme terrains marécageux, afin de permettre au Dominion d'accorder des homesteads, mais dans chacun de ces cas une étendue équivalente fut alors attribuée à la province, de façon que dans ces cas l'échange fut immédiatement clos. Une liste complète de toutes les terres recédées au Dominion pour homesteads, mais pour lesquelles aucun échange n'a eu lieu, a été préparé, et après en avoir retranché certaines terres recédées pour les Galiciens dans le district de Brokenhead, et qui sont traitées séparément plus loin, l'étendue totale pour laquelle la province a droit à une compension sous ce chef, est de 3,590.48 acres.

Qu'il a été recédé pour les Galiciens dans le district de Brokenhead, une étendue totale de 3,528.88 acres.

Le Ministre dit que dans l'état de compte cité plus haut avec le gouvernement du Canada, d'après l'arrêté en conseil du 17 de février 1899, il existe un item de 48,470 acre de terres choisies de temps à autre par les Commissaires des terrains marécageux, mais que l'on disait n'être pas alors disponibles pour transfert à la province, pour la raison qu'elles étaient soit inscrites pour homesteads soit concédées subséquemment à l'adoption de l'*Acte des terrains marécageux*. Cet état de compte était censé comprendre des terres examinées jusqu'à la afin de la saison de 1896, et afin de s'assurer lesquelles de ces terres non encore transférées à la province tombaient dûment sous ce chef, un examen soigneux a été fait des archives du ministère, et il a été constaté que l'étendue exacte à laquelle la province avait droit comme compensation était de 42,397.09 acres,

Que par arrêté en conseil daté le 15 de mai 1894, le titre à certaines terres non comprises dans l'état de compte ci-dessus cité de l'arrêté en conseil du 17 de février 1899, a été attribué à la province en échange partiel de certaines terres dont le titre avait été attribué à la province comme terrains marécageux, mais étant des sections impaires incluses dans la réserve de la ligne mère de chemin de fer Canadien du Pacifique, cette compagnie réclama priorité de droit à ces terres, et un arrangement fut effectué avec la province par lequel le titre fut recédé au Dominion afin que les lettres patentes fussent émises à la Compagnie du chemin du fer Canadien du Pacifique. Par arrêté en conseil daté le 4 de juin 1902, le titre à certaines terres additionnelles fut attribué à la province sous ce chef. L'étendue totale recédée à la province sous ce chef est de 6,547.76 acres (recédées au Dominion par des arrêtés en conseil provinciaux datés le 26 juin 1894, et 28 août 1901), et l'étendue totale cédée à la province en échange est de 6,611.48 acres, indiquant un excédent d'étendue cédée à la province sous ce chef (tel qu'énoncé dans le dit arrêté en conseil daté le 4 juin 1894) de 63.72 acres, et il fut convenu que cet excédent d'étendue serait porté au crédit de la province à compte du prochain échange.

Le Ministre représente que, à compte de l'échange mentionné dans le dit arrêté daté le 17 de février 1899, il a été cédé à la province par arrêté en conseil daté le 18 d'août 1899 une étendue de 26,098.29 acres, et par arrêté en conseil daté le 26 mai 1900 une étendue totale de 31,378.10 acres, et par le dit arrêté du 26 mai 1900, il fut décrété que le titre à certaines terres qui n'avaient pas encore été arpentées et qui avaient été réservées par le dit arrêté en conseil du 17 février 1899, pour être offertes à la province relativement à ces échanges, serait attribué à la province lorsque ces terres seraient arpentées. En vertu de l'*Acte des réserves forestières*, passé dans le cours de la dernière session du parlement fédéral, quelques-unes de ces terres ne sont pas transférables, étant situées dans la Réserve forestière de la Montagne du Canard.

L'étendue totale actuellement transférable à la province des terres réservées pour offrir à la province par le dit arrêté en conseil du 17 février 1899, est de 13,137 acres, et sont les terres dans la liste A ci-jointe. L'addition de cette étendue de 13,137 acres aux étendues données plus haut comme ayant été déjà cédées à la province sous ce chef indique qu'il reste encore une balance de 4,305.73 acres à trouver quelque part pour compléter l'étendue qui revient à la province à compte de ces échanges.

L'état de compte précité du dit arrêté en conseil daté le 17e jour de février 1899, devrait être aujourd'hui comme ci-dessous :—

TERRAINS MARÉCAGEUX, MANITOBA.

Etat quant aux échanges jusqu'au 1er de janvier 1907.

Réserve des bois d'épinette blanche.

Etendue totale des terres transférées à la province comme terrains marécageux, mais plus tard recédées par la province au Dominion pour la susdite réserve..	25,466.39

Terres situées ailleurs qu'au Manitoba.

Etendue totale des terres transférées à la province comme terrains marécageux ou à compte de terrains marécageux, mais recédées au Dominion par la province pour des homesteads (sauf dans les cas où il y a eu compensation pour ces terres par le transfert à la province d'une étendue équivalente, et sauf l'étendue recédée pour les Galiciens dans le district de Brokenhead).....	3,590.48
Etendue totale recédée pour les Galiciens dans le district de Brokenhead.....	3,528.88
Etendue de terres choisies par les Commissaires des terrains marécageux de temps à autre (jusqu'à la fin de la saison de 1896), mais non disponibles pour transfert au Manitoba, ayant été soit inscrites pour homesteads soit concédées ou autrement disposées subséquemment à l'adoption de l'*Acte des terrains marécageux*.....	42,397.09
	74,982.84
Ajouter étendue (sections impaires) transférées à la province dans la Réserve de la ligne mère du chemin de fer Canadien du Pacifique, mais recédées au Dominion afin que des lettres patentes fussent émises à la Compagnie du chemin de fer Canadien du Pacifique....	6,547.76
	81,530.60

En compensation la province a reçu des terres comme ci-dessous :—

	Acres.
Par A. C. 18 août 1899 (Liste B)	25,098.29
" " 26 mai 1900 (Liste A)	11,881.10
" " " " (Liste B)	8,000.16
" " " " (Liste C)	5,210.80
" " " " (Liste B)	6,286.04
Ajouter l'étendue de terres transférables à la province et que l'on propose aujourd'hui de transférer à la province, étant une partie des terres décrites dans le dit arrêté en conseil du 26 mai 1900, comme devant être transférées à la province une fois arpentées.....	13,137.00
	70,613.39
Ajouter l'étendue cédée à la province par arrêté en conseil du 15 mai 1894, (5,971.48) et arrêté en conseil du 4 juin 1902, (640) à compte des terres recédées pour la Compagnie du chemin de fer Canadien du Pacifique.....	6,611.48
	77,224.87
Etendue requise pour clore cet échange avec la province.....	4,305.73
Total.....	81,530.60 81,530.60

Le Ministre recommande donc que le titre à toutes les terres dans la dite liste "A" soit attribué à Sa

Majesté le Roi Edouard Sept, pour les fins de la province du Manitoba, à compte des dits échanges, et que la province reçoive une autre étendue de 4,305.73 acres pour clore les échanges dont il est question aux présentes, à même les terres fédérales disponibles dans la province du Manitoba.

Le comité soumet ce qui précède à l'approbation.

JOHN McGEE,
Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 14e jour de janvier 1907.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un mémorandum daté le 5 de janvier 1907, du ministre de l'Intérieur, soumettant,—relativement à certaines terres couvrant une étendue collective de 85,569.82 acres, et spécialement décrites dans la liste "A" lesquelles furent incluses dans des rapports conjoints datés antérieurement au 1er de janvier 1907, des Messieurs Wagner et Crawford, les commissaires chargés de faire un choix de terrains marécageux dans la province du Manitoba à être octroyées à la province en vertu des dispositions de l'article 4 du chapitre 47 des Statuts revisés du Canada, les dits rapports étant daté respectivement le 16 février 1888, 22 décembre 1888, 26 janvier 1891, 15 mars 1892, 19 février 1894, 15 décembre 1894, 31 mars 1896, 23 février 1896, et 31 décembre 1896,—que lorsque le ministre de l'Intérieur eut à s'occuper de ces terres dans l'intention de transférer à la province celles des terres que les dits commissaires prononçaient libres et disponibles pour cet objet, selon les dossiers du ministère, l'on s'aperçut que les terres comprises dans la liste "A" n'étaient pas disponibles pour être transférées parce qu'elles n'étaient pas arpentées ou qu'elles étaient comprises dans des concessions de coupes de bois, ou pour d'autres raisons.

Le Ministre dit que l'arpentage de celles de ces terres qui n'étaient pas arpentées ayant été complété, et les droits acquis en vertu de concessions de coupes de bois, étant éteints, et les raisons pour lesquelles le transfert n'avait pas été fait dans les autres cas étant de nul effet pour empêcher le transfert, il semble ne plus exister de raison pour quoi ces terres ne seraient pas immédiatement transférées à la province.

Le Ministre recommande donc que le titre aux dites terres énumérées dans la liste "A" soit attribué à Sa Majesté le Roi Edouard VII, pour les fins de la province du Manitoba, en vertu des dispositions du 4e article du chapitre 47 des Statuts revisés du Canada.

Le comité soumet ce qui précède à l'approbation.

JOHN J. McGEE,
Greffier du Conseil privé.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît au Gouverneur général en conseil de décréter que les règlements concernant la réserve et la vente des terres au Manitoba, ce qui était autrefois les Territoires du Nord-Ouest, et dans le Territoire du Yukon, établis par arrêtés en conseil du 31 de mai 1901, tel que modifié par arrêtés en conseil subséquents, soient et ils sont par le présent modifiés en y ajoutant la disposition suivante :—

Le Ministre pourra, sur demande à cet effet, faire une réserve préliminaire d'une étendue de 1920 acres pour une période de quatre mois afin de donner à un requérant le temps suffisant d'installer sur la terre la machinerie nécessaire. Chaque demande d'une réserve préliminaire sera accompagnée d'un honoraire de $100, lequel montant sera appliqué à compte du prix d'achat de la terre dans le cas où il se découvrirait de l'huile en quantités payantes, ou pourra être remise s'il ne s'y fait pas de telle découverte. L'étendue à inclure dans une réserve de pétrole, sera choisie en conformité des présents règlements, et les droits et privilèges accordés en vertu de cette réserve ne seront pas transmissibles.

Il plaît en outre, au Gouverneur général en conseil de décréter que les règlements établis par arrêtés en conseil pour la réserve et vente des terrains pétrolifères s'appliqueront aussi à la réserve et vente des terres pour des fins de gaz naturel.

87. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Dépôt de bills et honoraires.

88. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de (cinq) dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent, savoir :—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension	$ 100 00

4. Lorsqu'un bill a pour objet d'augmenter le capital social d'une compagnie la taxe supplémentaire sera établie d'après le tarif ci-dessus, mais ne sera exigée que sur le chiffre de l'augmentation.

5. Lorsqu'un bill a pour objet d'augmenter les pouvoirs de contracter des emprunts d'une compagnie sans aucune augmentation du capital social, la taxe supplémentaire sera de $300.00.

6. S'il est apporté quelque changement dans le capital social projeté d'une compagnie, ou s'il y est fait aucune augmentation à une phase quelconque d'un bill, le dit bill ne passera pas à la phase suivante tant qu'il n'aura pas été déposé un certificat du fonctionnaire qu'il appartient attestant que le versement des taxes résultant de ce changement a été régulièrement effectué,

7. Dans la présente règle, l'expression " capital social projeté " comprend toute augmentation de ce capital prévue dans le bill.

8. THOMAS B. FLINT,

SÉNAT.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

Telles que revisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée " partie défenderesse ".

Si la résidence de la partie défenderesse n'est par connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en mai propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est reçevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément a l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

* *Avis de bills privés.*

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada,* il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal,*—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté où district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone,*—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques,* dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt,* ou une *compagnie industrielle,* sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis,* que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une com

pagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Governor General in Council is pleased, in virtue of the provisions of section 16 of The Fisheries Act, chapter 95 of the Revised Statutes of Canada, to order that the Order in Council of the 1st of June, 1891, and 22nd July, 1891, prescribing fishery regulations for the district of Peggy's Cove, in the County of Halifax and Province of Nova Scotia, and of the 23rd of June, 1903, prescribing such regulations for the District of West Dover, in the County of Halifax and Province of Nova Scotia, shall be and the same are hereby rescinded and the following seine fishing regulations, to be applicable to such divisions of the County of Halifax as may be established by Order in Council as seining districts, substituted in lieu thereof.

SEINE FISHING REGULATIONS.

FOR ESTABLISHED SEINING DISTRICTS.

1. From the 1st day of May to the 15th day of November, in each year, both days inclusive, no nets or fishing apparatus of any kind other than seines shall be set or anchored within any established seining district, except during the night between the time of sunset and sunrise, and then not ahead of any seine actually set under license :

Provided always that if no mackerel are being taken within such seining district or the adjoining one, the Local Fishery Officer may grant a permit from day to day to set nets within the limits of such seining district and the said officer shall have power to cancel such permit by public notice, posted within the district at three different places, if mackerel appear on the coast, and to cause the removal of nets which may be set, two hours after the publication of such notice, the owner or owners to pay the cost of the removal thereof.

2. The permit to set nets shall apply to the owner of any net, whether the holder of a seine license or not.

3. No one shall sail or row a boat through or over a seine set within the limits of a berth, and no one shall disturb the waters within the limits of a berth so as to frighten fish from any portion thereof.

LICENSES.

4. A license may be issued to the owner or owners of a seine of not less than eighty fathoms in length and eight fathoms in depth in the bunt, and five fathoms in the bridle sheet, if the owner or owners thereof are provided with a boat and sufficient crew to work the seine, and provided that the owner or owners, or one of them, resides within the division so established as a seining district, and makes it his fishing place, and has therein erected fishing houses and stores sufficient to cure and care for the fish caught under his license.

5. A license shall entitle the holder to fish within the limits of the berth for which it is issued, in the manner known as seine fishing, until the holder has caught within such berth, twenty barrels of mackerel, and the license shall thereupon determine ; but such fishing shall be carried on only during the two seasons from May 1 to July 15, both days inclusive, or from July 16 to November 15, both days inclusive.

6. Berth licenses shall be numbered, the holder of license No. 1 to be entitled to the first fishing privilege within the limits of the berth named in his license.

7. The holder of the license next in number shall be entitled to shoot a seine at the rounded-in arm of the seine owned by the holder of the license, the number of which immediately precedes his, and to the rights of fishery in the berth when the preceding license determines.

8. One hour after sunrise, in the absence, without lawful excuse, of the license holder having the first right to shoot a seine, the next licensee in order may shoot his seine in the berth, and be entitled to all the fish he may catch in that shot.

9. It shall be held to be a lawful excuse if a licensee is absent from his berth on account of attending the funeral of kinsfolk or friend, or is engaged necessarily in drying his seine.

10. One hour after sunrise, in the absence of any license holder in a berth, any seine owner may shoot a seine, the first owner throwing his anchor and fastening his seine to a stake, and having sufficient crew to work the same, shall have preference in the berth, and the next in order throwing anchor and fastening his line to a stake, may shoot his seine from the rounded-in arm of the first.

11. Any fish caught in or between berths by any other than the person entitled to fish therein, when the berth is occupied by the person entitled thereto, shall be the property of the licensee.

12. Licenses shall be issued and allotted to the persons entitled thereto in the order and for the berth named, at a meeting of the seine owners, to be called by the Local Fishery Officer for that purpose, in the first week in May and the first week in July, in each year, due notice of such meeting being given by the said Fishery Officer.

13. The holder of an unexhausted license shall be entitled to all the fish taken in the last shoot of the seine, notwithstanding that the quantity of fish caught may be in excess of that required to exhaust the license.

14. The fee on each license shall be fifty cents.

The Governor General in Council further orders that the following districts in the County of Halifax,

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 19th day of February, 1907.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Governor General in Council is pleased to order that,—in virtue of the provisions of section 849 of chapter 113 of the Revised Statutes of Canada, 1906, intituled "The Canada Shipping Act", with a view to regulating the movement of vessels in the waters of the Port of Sarnia, in the Province of Ontario,—the limits of the said Harbour be extended southward so as to include all the waters of the River St. Clair, and of its several outlets into Lake St. Clair, including any dredged channels, east of the International Boundary line between Canada and the United States of America.

RODOLPHE BOUDREAU,
35–3 Acting Clerk of the Privy Council.

[Ref. 1,338,895].

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 14th day of January, 1907.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Memorandum dated 5th January, 1907, from the Minister of the Interior, submitting with reference to certain lands comprising an aggregate area of 85,569.82 acres, and particularly described in Schedule "A" which were included in joint reports dated prior to 1st January, 1897, of Messrs. Wagner and Crawford, the Commissioners for the purpose of making a selection of swamp lands in the Province of Manitoba to be granted to the Province under the provisions of section 4 of chapter 47, Revised Statutes of Canada, the said reports being dated respectively 16th February, 1888, 22nd December, 1888, 26th January, 1891, 15th March, 1892, 19th February, 1894, 15th December, 1894, 31st March, 1896, 23rd February, 1896, and 31st December, 1896, that when the lands comprised in these reports were being dealt with in the Department of the Interior with a view to the transfer to the Province of such lands so reported by the said Commissioners as were found to be clear and available for the purpose, according to Departmental records, the lands comprised in the said Schedule "A" were found not to be available for transfer because unsurveyed, or included in timber berths under license or permit, or otherwise not available.

The Minister states that the survey of such of these lands as were unsurveyed having now been completed and the rights under the timber licenses or permits having expired, and the reasons for which the transfer was not made in the remaining cases being also no longer operative to prevent the transfer, there appears to be now no reason why these lands should not be forthwith transferred to the Province.

The Minister therefore recommends that title to the said lands enumerated in Schedule "A" be vested in His Majesty King Edward the Seventh for the purposes of the Province of Manitoba, under the provisions of the 4th section of chapter 47 of the Revised Statutes of Canada.

The Committee submit the same for approval.

JOHN J. McGEE,
Clerk of the Privy Council.

"A"

SCHEDULE of certain lands classed as Swamp Lands by Swamp Lands Commissioners prior to January 1st, 1897, but hitherto withheld from transfer to the Province because unsurveyed or included in timber berths or otherwise not available, but now clear for transfer to the Province.

Department of the Interior,
Ottawa, 5th January, 1907. 34-4

[Ref. 3,374.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 29th day of December, 1906.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 20th September, 1906, from the Minister of the Interior, stating that in the regulations which are now in force governing the issue of leases to dredge for minerals in the submerged beds of rivers in Manitoba and what was formerly the North West Territories, excepting the Yukon Territory, provision is made whereby the lessee and all persons in his employ engaged in dredging upon such rivers are required to take out free miner's certificates in the manner provided for in the regulations governing placer mining in the Yukon Territory.

The Minister further states that provisions which are similar in their effect with respect to the obtaining of free miner's certificates by lessees, locatees and other grantees, are contained in other regulations now in force which respectively govern hydraulic mining locations under lease in the Yukon Territory, mining by dredging in that Territory, and placer mining in Manitoba and what was formerly the North West Territories.

The Minister observes that under the Act passed at the last session of Parliament, entitled "An Act respecting Mining in the Yukon Territory", no provision is made for the issue of free miner's certificates, It has therefore been decided that from the first of August, 1906, the date upon which the above Act came into force, there has been no necessity for any person or company then or thereafter engaged or about to engage in any kind of mining under the control of the Minister of the Interior to obtain or renew a free miner's certificate.

The Minister recommends that the foregoing conclusions be approved, and further that the Minister of the Interior be authorized to have refunded to the payee any moneys paid for a free miner's certificate, or for the

renewal thereof, in the case of every such certificate or renewal bearing date on or after the first day of August, 1906.

The Committee submit the same for approval.

JOHN J. McGEE,
34-4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 8th day of January, 1907.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report dated 16th August, 1906, from the Minister of the Interior, submitting, with reference to the Order in Council of the 17th February, 1899, relating to certain exchanges of lands with the Province of Manitoba, the lands therein referred to as being surrendered or to be surrendered by the Province, being lands which had been classed as swamp lands under the provisions of the 4th section of chapter 47 of the Revised Statutes of Canada, the following statement of account with the Province which accompanies this Order in Council :—

Spruce Woods Timber Reserve.

Total swamp lands in Reserve.....30,674.65 ac.		
Portion retained by province at Eastern end of Reserve as per list attached.....	4,592.87 ac.	26,081.78

Lands elsewhere in Manitoba.

Revested in the Dominion, no lands having been selected therefor by the Province....	1,690.10	
To be revested in the Dominion by the Prov. for entry purposes.....	1,222.61	
Area required for Galicians in the Brokenhead District....	4,160.00	
Area of lands selected by the Swamp Lands Commissioners from time to time but not available for transfer to Manitoba having been either entered for or patented subsequent to the passing of the Swamp Lands Act.....	48,470.00	
To compensate for the above the Province is to receive the lands designated in List A...		12,194.81
List B.....		8,000.16
List C.....		5,210.80
List D. (Spruce Woods).....		26,099.79
List E.....		30,120.00
	81,624.49	81,625.56

The Minister further submits that since the date of the said Order in Council of the 17th February, 1899, the title to all the lands therein referred to as being swamp lands required by the Dominion Government has been vested in the Dominion.

That the total area revested by the Province in the Dominion for the Spruce Woods Forest Reserve is 25,466.39 acres.

That there have been a considerable number of cases in which the Province has revested lands, the title to which had passed to it as swamp lands, for the purpose of allowing the Dominion to grant homestead entry therefor, but in many of these cases an equivalent area was at the time passed to the Province so that in such cases the exchange was at once closed out. A complete list of all lands revested in the Dominion for homesteaders and as to which no exchange has been granted has been prepared and after excluding therefrom certain lands revested for Galicians in the Brokenhead District, and which are dealt with separately hereunder, the total area for which the Province is entitled to compensation under this head is 3,590.48 acres.

That there was revested for Galicians in the Brokenhead District a total area of 3,528.88 acres.

The Minister states that in the above quoted statement of account with the Manitoba Government from the Order in Council of the 17th February, 1899, there is an item of 48,470 acres of lands selected by the Swamp Lands Commissioners from time to time but stated to be then not available for transfer to the Province, having been either entered for or patented subsequent to the passing of the Swamp Lands Act. This statement was intended to include lands examined to the end of the season of 1896, and of such lands not yet transferred to the Province, a careful examination of the records of the Department has been made so as to ascertain those which should properly be included under this head, and the correct area for which the Province was to be given an equal area in lieu has been found to be 42,397.09 acres.

That by Order in Council dated 15th May, 1894, the title to certain lands not included in the above quoted statement from the Order in Council of the 17th February, 1899, was vested in the Province in part exchange for certain lands the title to which had been vested in the Province as Swamp Lands, but being odd-numbered Sections within the Canadian Pacific Railway Company's Main Line Subsidy Reserve that Company claimed the prior right to these lands and an arrangement was effected with the Province by which the title was revested in the Dominion in order that patents might be issued to the Canadian Pacific Railway Company. By Order in Council dated 4th June, 1902, the title to certain additional lands was vested in the Province on this account. The total area revested by the Province on this account is 6,547.76 acres (revested in the Dominion by Provincial Orders in Council dated June 26th, 1894, and August 28th, 1901) and the total area vested in the Province in exchange is 6,611.48 acres, showing an excess area vested in the Province on this account (as stated in the said Order in Council dated 4th June, 1894,) of 63.72 acres, which excess area it was agreed was to be carried forward to the credit of the Province on account of the next exchange.

The Minister represents that on account of the exchange referred to in the said Order dated 17th February, 1899, there has been vested in the Province by Order in Council dated 18th August, 1899, an area of 26,098.29 acres, and by Order in Council dated 26th May, 1900, a total area of 31,378.10 acres, and by the said Order of the 26th May, 1900, the title to certain lands which were then unsurveyed and which had been reserved by the said Order in Council of 17th February, 1899, for offer to the Province in connection with these exchanges was ordered to be passed to the Province when the lands were surveyed. Under the Forest Reserve Act passed during the last session of the Dominion Parliament, some of these lands are however not available for transfer being within the Duck Mountain Forest Reserve.

The total area of land now available for transfer to the Province of the lands reserved for offer to the Province by said Order in Council of 17th February,

1899, is 13,137 acres, and being the lands in schedule A attached hereto. The addition of this area of 13,137 acres to the areas above referred to as having been already vested in the Province on this account shows that there is left a balance of 4,305·73 acres yet to be found elsewhere to complete the area due to the Province on account of these exchanges.

The statement of account quoted above from the said Order in Council dated the 17th day of February, 1899, should now be properly stated as follows :—

SWAMP LANDS, MANITOBA.

Total area revested for Galicians in the Brokenhead District		3,528.88

To compensate for the above the Province has received lands as follows :—

The Minister therefore recommends that title to all the lands in said schedule "A" be vested in His Majesty Kind Edward the Seventh for the purposes of the Province of Manitoba on account of the exchanges referred to, and that the Province be compensated in a further area of 4,305.73 acres to close out the exchanges referred to herein from available Dominion Lands in the Province of Manitoba.

The Committee submit the same for approval.

JOHN J. McGEE,
Clerk of the Privy Council.
